DESPATCHES.

(Circular.)

DOWNING STREET,
9th December, 1892.

MY LORD,—With reference to my predecessor's circular despatch of the 4th of February last, respecting the termination of the Commercial Treaty between this Country and Spain, I have the honour to transmit, for the information of the Colony under your Government, a translation of a notice from the Customs *Gazette,* Madrid, announcing that products of British Possessions shall enjoy the benefit of the Second Column of the Spanish Tariff.

I have the honour to be,
My Lord,
Your most obedient, humble Servant,
RIPON.

The Officer Administering
the Government of Canada.

From the "Boletin Oficial de la Direccion General de Aduanas" (Customs Gazette) of Madrid, 10th November, 1892.

ROYAL ORDER directing that products of British Possessions shall enjoy the benefit of the Second Column of the present Tariff. 4th October, 1892.

"Expediente" No. 1,044.92.

The following Royal Order has been communicated by the Ministry of State to that of Finance :—

SIR,—In reply to the Royal Order which your Excellency was good enough to address to me asking my opinion on the question whether, in virtue of international arrangements, the Island of Newfoundland and the Coast of Labrador have a right to the enjoyment of the benefits of the Second Column of the present tariff as being British Possessions,

His Majesty the King (whom God preserve !), and in his name the Queen Regent has been pleased to direct that your Office be informed that it would not be reasonable to refuse to the British Colonies the same commercial treatment that is conceded to the Mother Country, seeing that England concedes the same commercial treatment to Spanish Colonies as to Spain, and that it must be in consequence of an unintentional omission that this is not stated in the Royal Order of the 29th June.

By Royal Order, communicated to me by the Minister of State, I acquaint Your Excellency with this for your information, and to enable you to give any necessary orders in the direction indicated to the Custom-houses of the Peninsula and the adjacent Islands.

This is published in the "Boletin" for the information of the Custom-houses, in order that the treatment of the Second Column of the present Tariff may be conceded to products of British Possessions, as provided in the preceding Royal Order.

God preserve you many years !

Madrid, 4th October, 1892.

Circular.

DOWNING STREET,
3rd December, 1892.

MY LORD,—I have the honour to transmit to you, a copy of a letter from the Secretary to the Surveyors' Institution, enclosing copies of a Memorandum of the Council of the Institution relative to the admission to membership of Surveyors holding official appointments in the British colonies and dependencies.

Any application for admission to membership should be made direct to the Institution.

I have the honour to be,
My Lord,
Your most obedient, humble Servant,
RIPON.

The Officer Administering
the Government of Canada.

THE SURVEYORS' INSTITUTION.

(Incorporated by Royal Charter.)

12, GREAT GEORGE STREET,

WESTMINSTER, S.W., 21st November, 1892.

SIR,—I am directed to send you the accompanying copies of a memorandum by the Council of this Institution, with reference to the admission to membership of Surveyors holding official appointments in the British colonies and dependencies.

The Memorandum will explain itself, but I may point out that these arrangements apply exclusively to official Surveyors and not to Surveyors engaged in private practice in the colonies.

The Council of this Institution has, during the last twenty-five years, been most successful in its efforts to raise the status and improve the efficiency of Surveyors in the Mother Country, and is desirous of accomplishing similar results in the case of Colonial Surveyors, and of allowing them to participate in the privileges and advantages conferred by our charter, and bringing them, under the influences which have proved so beneficial in this country.

With this object in view, the Council venture to express a hope that your Department may assist them in bringing the matter under the notice of influential persons in the colonies.

I shall be happy to furnish you with additional copies of the memorandum, should you require them.

I am,
(Sgd.) JULIAN C. ROGERS,
Secretary.

The Under Secretary of State
for the Colonies.

THE SURVEYORS' INSTITUTION,

(Incorporated by Royal Charter)

12, GREAT GEORGE STREET, WESTMINSTER.

MEMORANDUM of the Council of the Institution with reference to the admission of Colonial Members.

The Council of the Institution have, during the last twenty years, received many applications from Surveyors holding official appointments in the British colonies and dependencies, to be elected members of the Institution ; but it is only recently that they have been in a position to entertain such applications for admission, without examination, under the following by-law, which became operative, by a special provision of the charter, at the end of the year 1891 :—

"No person shall be eligible for election as a Fellow, unless he shall have passed the examination declared in the Rules of Examination to appertain to the class of Fellows. *Nevertheless it shall be in the power of the Council by a vote, in person or by proxy, of not less than three-fourths of the whole Council, to dispense with the aforesaid examination in favour of* any Candidate of exceptional standing as a Surveyor or of *a candidate holding an official appointment as a Surveyor in any of the British colonies or dependencies who shall have passed such other examination as the Council may accept in lieu of the said examination.*"

The Institution comprises about 2,500 members of all classes—Fellows, Professional Associates, Non-Professional Associates, and Students. Admission to every grade of membership, except to the limited class of Non-Professional Associates, can only be obtained through the avenue of examination, an ordeal of an extremely searching character, and for which, in the nature of the case, Surveyors in the colonies could not be expected to present themselves.

Acting under the powers conferred by the charter and the By-law above quoted, and with a view to federating the profession throughout the Empire, and with a further view of affirming and defining the professional status of Colonial Surveyors, the Council of the Institution are prepared to entertain applications for admission to membership, without examination, from Surveyors holding official appointments in the following British colonies and dependencies, where it is understood that candidates for such appointments are required, as a condition precedent, to pass an examination which can be accepted in lieu of the professional examinations of the Institution :—

India,
Victoria,
New South Wales,
Queensland,
Western Australia,
South Australia,
New Zealand,
Tasmania,
Canada,
British Guiana,
West Indies,
Cape Colony.
Straits Settlements.

The Council reserve to themselves the right of varying the list of such colonies and dependencies from time to time, should circumstances seem to render such a course desirable.

The following are the conditions under which applications for admission will be considered by the Council :—

1. A Colonial Surveyor will be considered eligible *ceteris paribus* if he shall have passed an examination qualifying him as an Authorised or Licensed Surveyor, or as an official, or Crown Surveyor, or Surveyor-

General, in any of the foregoing colonies and dependencies.

2. All candidates will be required to furnish a detailed description of the examination or examinations passed by them in the colonies, which description must be signed by the candidate, and, in the case of a subordinate officer, countersigned by the Surveyor-General, or, in the case of a Surveyor-General, by the Colonial Secretary, or other chief official, and will also be required to furnish testimonials as to personal character, *independently of the professional testimonials referred to.*

3. The diploma granted to a Colonial Member will bear upon the face of it a notification that it applies solely to the colonies, and is in no sense a diploma available for a Surveyor practising in the United Kingdom.

4. Each candidate will be required to sign a formal declaration to this effect, and an undertaking that the diploma shall be returned to the Council should the candidate, from any cause, cease to practise in the colonies.

5. Each Colonial Member will be required to deposit with the Secretary a standing order on a London agent for the annual payment of his subscription, and through whom papers relating to the Institution may be periodically transmitted.

6. Colonial Members will pay a reduced entrance fee of three guineas and a reduced annual subscription of two guineas.

7. Candidates must be over 25 years of age.

8. Colonial Members when elected will be regarded as subject to such provisions of the general By-laws as are applicable to their case, and will be required to sign a formal declaration to that effect, attached to the form of application.

9. All applications must be made on forms to be obtained of the Secretary of the Institution at the above address, and will be subject to all the provisions of the By-laws relating to approval by the Council and confirmation by the general body of members, and each case will be dealt with on its merits.

The privileges of Colonial Members will be identical with those of other members, and may be briefly summarized as follows:—

(*a.*) The right as a Fellow of the Surveyors' Institution to use the designatory letters F.S.I.

(*b.*) The right to receive copies of the "Transactions" of the Institution, published at frequent intervals during the session, from November to May. Also copies of the "Professional Notes," published at intervals of two or three months throughout the year.

(*c.*) The right to a Diploma of Membership, subject, as in other cases, to a notification of its annual renewal.

(*d.*) The right, during temporary residence in England, to attend the meetings of the Institution, to use the library and rooms of the Institution, and to enjoy all the privileges of members resident in the United Kingdom; and

(*e.*) All voting rights, so far as they are exercisable by persons not residing in the United Kingdem.

By order of the Council,

JULIAN C. ROGERS,
Secretary.

NOTICE TO MARINERS.

No. 53 of 1892.

BANKS SOUTH OF HALIFAX.

Vice-Admiral J. O. Hopkins, commander-in-chief on the North American and West Indies Station, reports that when approaching Halifax from the southward on the 3rd May, 1892, H. M. S. "Emerald" obtained soundings which tended to show that either "La Have" bank is to the eastward of its charted position, or that there is another bank similar in character just to the southward of Halifax.

Also that it has now been ascertained, from soundings recently taken by several ships of the Squadron, that—

(*a*.) "La Have" bank is correctly placed on the Admiralty charts.

(*b*.) There is a bank with less than fifty fathoms on it, situated with its western edge in latitude 43° 16' N. to 43° 21' N., longitude 62° 55' W., not shown on the Admiralty charts, possibly an extension of known banks, extending west from Sable Island. This bank might be mistaken for "La Have" bank by a ship making for Halifax from the south in thick weather.

(*c*.) The soundings between Sable Island and longitude 63° W. should be used with caution as a guide when approaching the coast of Nova Scotia.

Deputy Minister of Marine and Fisheries.

NOTICE TO MARINERS.

No. 54 of 1892.

LOWER NEGUAC RANGE LIGHTS.

The light buildings formerly used at Crab Island, Tabusintac, have been removed to Lower Neguac, in the County of Northumberland, New Brunswick, where a range of lights to guide over the bars inside Neguac Gully has been established by the Canadian Government.

The front light stands on the east end of the block at the outer end of the Lower Neguac wharf.

Lat. N. 47° 15' 40"
Long. W. 65° 2' 35"

The light is shown from a lens lantern hoisted on a mast, having a shed at the base, the whole painted brown. An oval slatwork is attached to the mast to make it more conspicuous as a day beacon. The mast is 14 feet from the pier to its top.

The light is fixed white, elevated 18 feet above high water mark, and should be visible 8 miles from all points of approach. Besides indicating the line of range it will serve as a guide to vessels making the wharf.

The wharf on which the outer light stands is composed of a cribwork block 25 by 50 feet, in about 8 feet water, connected with the shore by a roadway supported on temporary trestles. The roadway runs N. ⅓ E., and is 1,050 feet long to high water mark, where it ends near Adam's fishhouse and store.

The back light building stands on the beach N.N.W. ¼ W. (N. 49° 50' W. true), 1080 feet from the front one. It is a square wooden enclosed tower, painted white, surmounted by a lantern painted red. It is 33 feet high from its base to the vane on the lantern.

The light is fixed white. It is elevated 32 feet above high water mark, and should be visible 10 miles in and over a small arc on each side of the line of range.

This notice affects Admiralty charts Nos. 2034 and 2516, and the substance of it should be entered in the Canadian List of Lights and Fog Signals under the numbers 279 and 279*a*.

CONSIDÉRANT que par le premier article d'un acte de Notre parlement du Canada, passé dans les 55e-56e années de Notre règne, chapitre 21, intitulé " Acte modifiant de nouveau les actes concernant les droits de douane," il est en autres choses établi que—

" 1. "2. Toutes mélasses n.a.p., tous sirops n.a.p., tous fonds de cuve, tous lavages de cuve, tout jus de canne, tout jus de canne concentré, tout jus de betterave et tout jus de betterave concentré, lorsqu'ils sont importés directement et sans transbordement du pays de leur provenance et production :—

" Les colis (lorsqu'ils sont en bois) dans lesquels ils sont importés devant être dans tous les cas exempts de droits."

Et considérant que par le 4e article du dit acte, il est de plus statué comme suit :—

"4. Le Gouverneur en conseil pourra, quand il jugera à propos de le faire dans l'intérêt public, suspendre par proclamation l'opération du premier article du présent acte à l'égard du second item du dit article, pendant le temps indiqué dans cette proclamation, et déclarer que durant ce temps la disposition qui suit sera en vigueur en son lieu et place.

" 2. Toutes mélasses n.a.p., tous sirops n.a.p., tous fonds de cuve, tous lavages de cuve, tout jus de canne tout jus de canne concentré, tout jus de betterave et tout jus de betterave concentré, —

"(*b.*) Accusant moins de quarante degrés, un droit spécifique d'un centin et demi par gallon, et en sus, un centin par gallon pour chaque degré ou fraction de degré au-dessous de quarante degrés.

" Les colis (lorsqu'ils sont en bois) dans lesquels ils sont importés devant être dans tous les cas exempts de droits."

Et considérant qu'il a été démontré à Notre Gouverneur en conseil qu'il est dans l'intérêt public de suspendre l'opération de l'article un du dit acte au sujet du deuxième item d'icelui,—

SACHEZ DONC que par et avec l'avis de Notre Conseil privé pour le Canada, Nous suspendons par la présente proclamation l'opération du dit article un du dit acte au sujet du deuxième item d'icelui pour une période de deux ans à compter de la date des présentes, et par et avec le dit avis Nous déclarons que durant la dite période ce qui suit sera en vigueur en son lieu et place :—

" 2. Toutes mélasses n.a.p., tous sirops n.a.p., tous fonds de cuve, tous lavages de cuve, tout jus de canne, tout jus de canne concentré, tout jus de betterave et tout jus de betterave concentré,—

CONSIDÉRANT que par l'article 2 d'un acte de Notre Parlement du Canada, passé dans les 54e et 55e années de Notre règne, chapitre 45, et intitulé "Acte modifiant les actes concernant les droits de douane," il est statué comme suit :

"2. Les droits de douane, s'il en est, imposés par les dits actes sur les effets mentionnés au présent article, sont par le présent abrogés, et les dits effets pourront être importés en Canada ou sortis de l'entrepôt pour la consommation, francs de droits, savoir :—

"Tout sucre de canne ne dépassant pas le numéro quatorze, type de Hollande sous le rapport de la couleur, tout sucre de betterave ne dépassant pas le numéro quatorze, type de Hollande sous le rapport de la couleur, tous balayages de sucre, tous égouts de sucre ou pompages égouttés durant le transit, tout mélado, tout mélado concentré, toutes mélasses n.a.p., toutes mélasses concentrées n.a.p., tout jus de canne n.a.p., tout jus de canne concentré n.a.p., tout jus de betterave n.a.p., tout jus de betterave concentré n.a.p., tout fonds de cuves n.a.p., et toutes concrétions n.a.p., importés directement, sans transbordement, du pays de leur provenance et production."

"2. Les droits de douane, s'il en est, imposés par les dits actes sur les effets mentionnés au présent sont par le présent abrogés, et les dits effets pourront être importés en Canada ou sortis de l'entrepôt pour la consommation, francs de droits, savoir :—

Et considerant qu'il a été démontré à Notre Gouverneur en conseil qu'il est dans l'intérêt public de suspendre l'opération de l'article 2 du dit acte en premier lieu mentionné, et d'y substituer d'autres dispositions, tel qu'il est établi par l'article 6 du dit acte en dernier lieu mentionné,—

DÉPÊCHES.

Circulaire.

DOWNING STREET,
3 décembre 1892.

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre du secrétaire de l'Institut des Arpenteurs-Géomètres renfermant des copies d'un mémoire du Conseil de l'Institut concernant l'admission, comme membres, d'arpenteurs-géomètres qui occupent des charges officielles dans les colonies et dépendances britanniques.

Toute demande à l'effet d'être reçu membre devrait être adressée directement à l'Institut.

J'ai l'honneur d'être,
Milord,
Votre très humble serviteur,
RIPON.

A l'administrateur
du gouvernement du Canada.

INSTITUT DES ARPENTEURS-GÉOMÈTRES.

(Constitué par charte royale.)

12, GREAT GEORGE STREET,

WESTMINSTER, S.W., 21 novembre 1892.

MONSIEUR,—Je suis chargé de vous envoyer les copies ci-jointes d'un mémoire du Conseil de cet Institut, concernant l'admission comme membre d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques.

Le mémoire est explicatif, mais je ferai observer que ces arrangements ne s'appliquent qu'aux arpenteurs-géomètres officiels et non pas aux arpenteurs-géomètres qui exercent leur profession en particulier dans les colonies.

Dans le cours des derniers vingt-cinq ans, le Conseil de cet Institut a très bien réussi dans ces efforts pour relever la condition et améliorer l'efficacité des arpenteurs-géomètres dans la mère patrie et il désire accomplir les mêmes résultats vis-à-vis des arpenteurs-géomètres coloniaux, et leur permettre de participer aux privilèges et avantages conférés par notre charte, et de les faire bénéficier des influences qui ont été si avantageuses ici.

Afin d'atteindre ce but, le Conseil ose espérer que votre département pourra lui aider à faire connaître la chose aux personnes influentes dans les colonies.

Je serai heureux de vous fournir d'autant de copies du mémoire que vous désirerez.

Je suis,
(Signé) JULIAN C. ROGERS.
Secrétaire.

Le Sous-Secrétaire d'Etat
pour les colonies.

INSTITUT DES ARPENTEURS-GÉOMÈTRES.

(Constituée par charte royale.)

12, GREAT GEORGE STREET, WESTMINSTER.

MÉMOIRE du Conseil de l'Institut concernant l'admission de membres coloniaux.

Dans le cours des derniers vingt ans le Conseil de l'Institut a reçu de la part d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques, plusieurs demandes d'être élus membres de l'Institut ; mais ce n'est que récemment que le Conseil a été en mesure de recevoir des demandes d'admission, sans examen, en vertu du règlement suivant qui est devenu exécutoire à la fin de l'année 1891, en conséquence d'une clause spéciale de la charte :—

" Personne ne pourra être élu membre s'il n'a passé " l'examen exigé par les règles d'examen pour pouvoir " être membre. Néanmoins le Conseil pourra, par un " vote, en personne ou par procuration, de pas moins " des trois quarts de tout le Conseil, dispenser du sus- " dit examen en faveur d'un candidat d'une réputation " exceptionnelle comme arpenteur-géomètre ou d'un " candidat occupant une charge officielle comme " arpenteur-géomètre dans une des colonies ou dépen- " dances anglaises qui aura passé tel autre examen " que le Conseil pourra accepter au lieu du dit exa- " men."

L'Institut comprend environ 2,500 membres de toutes classes—membres, associés professionnels, associés non-professionnels, et étudiants. Sauf pour la classe limitée des associés non-professionnels, tous les grades d'affiliation ne s'obtiennent qu'au moyen d'un examen, épreuve très sévère à laquelle les arpenteurs-géomètres dans les colonies, dans les circonstances, ne sont pas supposés devoir se soumettre.

Agissant d'après les pouvoirs conférés par la charte et le règlement ci-dessus cités, et en vue de fédérer la profession par tout l'Empire, et dans le but aussi d'affermir et définir la condition professionnelle des arpenteurs-géomètres coloniaux, le Conseil de l'Institut est prêt à admettre des demandes d'admission comme membres, sans examen, de la part d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques suivantes, dans lesquelles il est entendu que les candidats pour ces emplois sont tenus de passer un examen qui tiendra lieu de l'examen professionnel de l'Institut :—

Inde,
Victoria,
Nouvelle Galles du Sud
Queensland,
Australie Occidentale,
Australie Méridionale,
Nouvelle-Zélande,
Tasmanie,
Canada,
Guyane anglaise,
Antilles,
Colonie du Cap,
Etablissements des Détroits.

Le Conseil se réserve le droit de varier de temps à autre la liste de ces colonies et dépendances selon que les circonstances sembleront rendre la chose désirable.

Ci-suivent les conditions auxquelles les demandes d'admission seront considérées par le Conseil :—

1. Un arpenteur-géomètre colonial sera considéré éligible *ceteris paribus* s'il a passé un examen le rendant habile à agir comme arpenteur autorisé ou licencié, ou comme arpenteur officiel ou de la couronne, ou arpenteur général, dans aucune des colonies et dépendances ci-dessus.

2. Tous les candidats seront tenus de fournir une description détaillée de l'examen ou des examens qu'ils ont passés dans les colonies, laquelle description devra être signée par le candidat, et, dans le cas d'un officier subordonné, contresigné par l'arpenteur général, ou, dans le cas d'un arpenteur général, par le secrétaire colonial ou autre chef officiel, et sera tenu aussi de fournir des certificats de bonnes mœurs indépendamment des certificats professionnels déjà mentionnés.

3. Le diplôme accordé à un membre colonial portera à sa face un avis qu'il ne s'applique qu'aux colonies, et qu'il n'est aucunement un diplôme utile à un arpenteur pratiquant dans le Royaume-Uni.

4. Chaque candidat sera tenu de signer une déclaration formelle à cet effet, et convenir que le diplôme sera remis au Conseil dans le cas où le candidat pour une cause quelconque cesserait de pratiquer dans les colonies.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il a plu à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, de donner son consentement à la fermeture d'une certaine réserve de chemin dans la municipalité de Deloraine et province du Manitoba, décrite dans le règlement ci-joint de la municipalité de Deloraine, numéroté 63, et daté du 20 août 1888, étant un règlement à l'effet de clore certaines parties de certaines réserves de chemins dans la municipalité de Deloraine, et de les vendre et céder à la Compagnie de chemin de fer de Colonisation du Sud-Ouest du Manitoba.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DESPATCHES.

(Circular.)

Downing Street,
9th December, 1892.

My Lord,—With reference to my predecessor's circular despatch of the 4th of February last, respecting the termination of the Commercial Treaty between this Country and Spain, I have the honour to transmit, for the information of the Colony under your Government, a translation of a notice from the Customs *Gazette*, Madrid, announcing that products of British Possessions shall enjoy the benefit of the Second Column of the Spanish Tariff.

I have the honour to be,
My Lord,
Your most obedient, humble Servant,

RIPON.

The Officer Administering
the Government of Canada.

From the "Boletin Oficial de la Direccion General de Aduanas" (Customs Gazette) of Madrid, 10th November, 1892.

Royal Order directing that products of British Possessions shall enjoy the benefit of the Second Column of the present Tariff. 4th October, 1892.

"Expediente" No. 1,044.92.

The following Royal Order has been communicated by the Ministry of State to that of Finance:—

Sir,—In reply to the Royal Order which your Excellency was good enough to address to me asking my opinion on the question whether, in virtue of international arrangements, the Island of Newfoundland and the Coast of Labrador have a right to the enjoyment of the benefits of the Second Column of the present tariff as being British Possessions,

His Majesty the King (whom God preserve!), and in his name the Queen Regent has been pleased to direct that your Office be informed that it would not be reasonable to refuse to the British Colonies the same commercial treatment that is conceded to the Mother Country, seeing that England concedes the same commercial treatment to Spanish Colonies as to Spain, and that it must be in consequence of an unintentional omission that this is not stated in the Royal Order of the 29th June.

By Royal Order, communicated to me by the Minister of State, I acquaint Your Excellency with this for your information, and to enable you to give any necessary orders in the direction indicated to the Custom-houses of the Peninsula and the adjacent Islands.

This is published in the "Boletin" for the information of the Custom-houses, in order that the treatment of the Second Column of the present Tariff may be conceded to products of British Possessions, as provided in the preceding Royal Order.

God preserve you many years!

Madrid, 4th October, 1892.

Circular.

DOWNING STREET,
3rd December, 1892.

MY LORD,—I have the honour to transmit to you, a copy of a letter from the Secretary to the Surveyors' Institution, enclosing copies of a Memorandum of the Council of the Institution relative to the admission to membership of Surveyors holding official appointments in the British colonies and dependencies.

Any application for admission to membership should be made direct to the Institution.

I have the honour to be,
My Lord,
Your most obedient, humble Servant,
RIPON.

The Officer Administering
the Government of Canada.

THE SURVEYORS' INSTITUTION.

(Incorporated by Royal Charter.)

12, GREAT GEORGE STREET,
WESTMINSTER, S.W., 21st November, 1892.

SIR,—I am directed to send you the accompanying copies of a memorandum by the Council of this Institution, with reference to the admission to membership of Surveyors holding official appointments in the British colonies and dependencies.

The Memorandum will explain itself, but I may point out that these arrangements apply exclusively to official Surveyors and not to Surveyors engaged in private practice in the colonies.

The Council of this Institution has, during the last twenty-five years, been most successful in its efforts to raise the status and improve the efficiency of Surveyors in the Mother Country, and is desirous of accomplishing similar results in the case of Colonial Surveyors, and of allowing them to participate in the privileges and advantages conferred by our charter, and bringing them, under the influences which have proved so beneficial in this country.

With this object in view, the Council venture to express a hope that your Department may assist them in bringing the matter under the notice of influential persons in the colonies.

I shall be happy to furnish you with additional copies of the memorandum, should you require them.

I am,
(Sgd.) JULIAN C. ROGERS,
Secretary.

The Under Secretary of State
for the Colonies.

THE SURVEYORS' INSTITUTION,

(Incorporated by Royal Charter)

12, GREAT GEORGE STREET, WESTMINSTER.

MEMORANDUM of the Council of the Institution with reference to the admission of Colonial Members.

The Council of the Institution have, during the last twenty years, received many applications from Surveyors holding official appointments in the British colonies and dependencies, to be elected members of the Institution; but it is only recently that they have been in a position to entertain such applications for admission, without examination, under the following by-law, which became operative, by a special provision of the charter, at the end of the year 1891:—

"No person shall be eligible for election as a Fellow, "unless he shall have passed the examination declared "in the Rules of Examination to appertain to the "class of Fellows. *Nevertheless it shall be in the power of* "*the Council by a vote, in person or by proxy, of not less* "*than three-fourths of the whole Council, to dispense with* "*the aforesaid examination in favour of* any Candidate "of exceptional standing as a Surveyor or of *a can-*"*didate holding an official appointment as a Surveyor in* "*any of the British colonies or dependencies who shall* "*have passed such other examination as the Council may* "*accept in lieu of the said examination.*"

The Institution comprises about 2,500 members of all classes—Fellows, Professional Associates, Non-Professional Associates, and Students. Admission to every grade of membership, except to the limited class of Non-Professional Associates, can only be obtained through the avenue of examination, an ordeal of an extremely searching character, and for which, in the nature of the case, Surveyors in the colonies could not be expected to present themselves.

Acting under the powers conferred by the charter and the By-law above quoted, and with a view to federating the profession throughout the Empire, and with a further view of affirming and defining the professional status of Colonial Surveyors, the Council of the Institution are prepared to entertain applications for admission to membership, without examination, from Surveyors holding official appointments in the following British colonies and dependencies, where it is understood that candidates for such appointments are required, as a condition precedent, to pass an examination which can be accepted in lieu of the professional examinations of the Institution:—

India,
Victoria,
New South Wales,
Queensland,
Western Australia,
South Australia,
New Zealand,
Tasmania,
Canada,
British Guiana,
West Indies,
Cape Colony.
Straits Settlements.

The Council reserve to themselves the right of varying the list of such colonies and dependencies from time to time, should circumstances seem to render such a course desirable.

The following are the conditions under which applications for admission will be considered by the Council:—

1. A Colonial Surveyor will be considered eligible *ceteris paribus* if he shall have passed an examination qualifying him as an Authorised or Licensed Surveyor, or as an official, or Crown Surveyor, or Surveyor-General, in any of the foregoing colonies and dependencies.

2. All candidates will be required to furnish a detailed description of the examination or examinations passed by them in the colonies, which description must be signed by the candidate, and, in the case of a subordinate officer, countersigned by the Surveyor-General, or, in the case of a Surveyor-General, by the Colonial Secretary, or other chief official, and will also be required to furnish testimonials as to personal character, *independently of the professional testimonials referred to.*

3. The diploma granted to a Colonial Member will bear upon the face of it a notification that it applies solely to the colonies, and is in no sense a diploma available for a Surveyor practising in the United Kingdom.

4. Each candidate will be required to sign a formal declaration to this effect, and an undertaking that the diploma shall be returned to the Council should the candidate, from any cause, cease to practise in the colonies.

5. Each Colonial Member will be required to deposit with the Secretary a standing order on a London agent for the annual payment of his subscription, and through whom papers relating to the Institution may be periodically transmitted.

6. Colonial Members will pay a reduced entrance fee of three guineas and a reduced annual subscription of two guineas.

7. Candidates must be over 25 years of age.

8. Colonial Members when elected will be regarded as subject to such provisions of the general By-laws as are applicable to their case, and will be required to sign a formal declaration to that effect, attached to the form of application.

9. All applications must be made on forms to be obtained of the Secretary of the Institution at the above address, and will be subject to all the provisions of the By-laws relating to approval by the Council and confirmation by the general body of members, and each case will be dealt with on its merits.

The privileges of Colonial Members will be identical with those of other members, and may be briefly summarized as follows:—

(*a.*) The right as a Fellow of the Surveyors' Institution to use the designatory letters F.S.I.

(*b.*) The right to receive copies of the "Transactions" of the Institution, published at frequent intervals during the session, from November to May. Also copies of the "Professional Notes," published at intervals of two or three months throughout the year.

(*c.*) The right to a Diploma of Membership, subject, as in other cases, to a notification of its annual renewal.

(*d.*) The right, during temporary residence in England, to attend the meetings of the Institution, to use the library and rooms of the Institution, and to enjoy all the privileges of members resident in the United Kingdom; and

(*e.*) All voting rights, so far as they are exercisable by persons not residing in the United Kingdom.

By order of the Council,

JULIAN C. ROGERS,
Secretary.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 13th day of November, 1890.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the affidavit which is required to be made by a person obtaining a homestead entry in the Railway Belt in British Columbia does not correspond with the existing regulations governing such entries, as the applicant is required to swear that he does not own any lands in the railway belt, whereas section 13 of said Regulations provides that any person may get a homestead who does not hold or own by preemption record, or otherwise, under the laws of the Province of British Columbia, more than 160 acres of land within the railway belt,—

Therefore His Excellency, under the authority conferred upon him by chapter 56 of the Revised Statutes, intituled "An Act respecting certain public lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, is pleased to prescribe the following amended form of affidavit, which has received the approval of the Minister of Justice, as the affidavit which is required to be made in support of a claim for homestead entry by any person who has not previously obtained homestead entry, and the same is hereby prescribed accordingly.

JOHN J. McGEE,
Clerk of the Privy Council.

FORM C.

AFFIDAVIT in support of a claim for homestead entry by a person who has not previously obtained homestead entry.

I, A.B., do solemnly swear (*or* affirm, *as the case may be*) that I am over eighteen years of age; that to the best of my knowledge and belief the land in respect of which my application is made is surveyed agricultural land; it is not chiefly valuable for its timber or for hay land, nor is there upon it any stone or marble quarry, or coal or other mineral having commercial value; there is not upon it any water power which may serve to drive machinery, nor is it specially valuable by reason of its position, such as being the shore of an important harbour, bridge site or canal site, or being either an actual or prospective railway terminus or station; that there is no person residing on the said land, nor are there any improvements thereon, and that this application is made for my exclusive use and benefit, with the intention of residing upon and cultivating the said land, and not directly or indirectly for the use or benefit of any other person or persons whomsoever, and that I have not heretofore obtained a homestead on Dominion lands, nor do I hold or own, by preemption record or otherwise, under the laws of British Columbia more than 160 acres within the tract known as the Railway Belt in British Columbia.

NOTICE TO MARINERS.

No. 53 of 1892.

BANKS SOUTH OF HALIFAX.

Vice-Admiral J. O. Hopkins, commander-in-chief on the North American and West Indies Station, reports that when approaching Halifax from the southward on the 3rd May, 1892, H. M. S. "Emerald" obtained soundings which tended to show that either "La Have" bank is to the eastward of its charted position, or that there is another bank similar in character just to the southward of Halifax.

Also that it has now been ascertained, from soundings recently taken by several ships of the Squadron, that—

(*a*.) "La Have" bank is correctly placed on the Admiralty charts.

(*b*.) There is a bank with less than fifty fathoms on it, situated with its western edge in latitude 43° 16' N. to 43° 21' N., longitude 62° 55' W., not shown on the Admiralty charts, possibly an extension of known banks, extending west from Sable Island. This bank might be mistaken for "La Have" bank by a ship making for Halifax from the south in thick weather.

(*c*.) The soundings between Sable Island and longitude 63° W. should be used with caution as a guide when approaching the coast of Nova Scotia.

WM. SMITH,
Deputy-Minister of Marine and Fisheries.

LOWER NEGUAC RANGE LIGHTS.

The light buildings formerly used at Crab Island, Tabusintac, have been removed to Lower Neguac, in the County of Northumberland, New Brunswick, where a range of lights to guide over the bars inside Neguac Gully has been established by the Canadian Government.

The front light stands on the east end of the block at the outer end of the Lower Neguac wharf.

Lat. N. 47° 15' 40"
Long. W. 65° 2' 35"

The light is shown from a lens lantern hoisted on a mast, having a shed at the base, the whole painted brown. An oval slatwork is attached to the mast to make it more conspicuous as a day beacon. The mast is 14 feet from the pier to its top.

The light is fixed white, elevated 18 feet above high water mark, and should be visible 8 miles from all points of approach. Besides indicating the line of range it will serve as a guide to vessels making the wharf.

The wharf on which the outer light stands is composed of a cribwork block 25 by 50 feet, in about 8 feet water, connected with the shore by a roadway supported on temporary trestles. The roadway runs N. ⅛ E., and is 1,050 feet long to high water mark, where it ends near Adam's fishhouse and store.

The back light building stands on the beach N.N.W. ¼ W. (N. 49° 50' W. true), 1080 feet from the front one. It is a square wooden enclosed tower, painted white, surmounted by a lantern painted red. It is 33 feet high from its base to the vane on the lantern.

The light is fixed white. It is elevated 32 feet above high water mark, and should be visible 10 miles in and over a small arc on each side of the line of range.

This notice affects Admiralty charts Nos. 2034 and 2516, and the substance of it should be entered in the Canadian List of Lights and Fog Signals under the numbers 279 and 279*a*.

CONSIDÉRANT que par le premier article d'un acte de Notre parlement du Canada, passé dans les 55e-56e années de Notre règne, chapitre 21, intitulé « Acte modifiant de nouveau les actes concernant les droits de douane," il est en autres choses établi que—

" 1. Les droits de douane imposés par le chapitre trente-trois des Statuts revisés, par le chapitre vingt des Statuts de 1890, et par le chapitre quarante-cinq des Statuts de 1891, sur les effets mentionnés au présent article, sont par le présent abrogés, et les droits ci-dessous mentionnés leur sont respectivement substitués ; et si quelqu'un des dits effets est actuellement admis en franchise, le droit mentionné au présent article et inscrit en regard du dit effet est par le présent imposé sur le dit effet, savoir :—

"2. Toutes mélasses n.a.p., tous sirops n.a.p., tous fonds de cuve, tous lavages de cuve, tout jus de canne, tout jus de canne concentré, tout jus de betterave et tout jus de betterave concentré, lorsqu'ils sont importés directement et sans transbordement du pays de leur provenance et production :—

" (a.) Accusant au polariscope quarante degrés ou plus et pas plus de cinquante-six degrés, un droit spécifique d'un centin et demi par gallon.

" (b.) Accusant moins de quarante degrés, un droit spécifique d'un centin et demi par gallon, et en sus un centin par gallon pour chaque degré ou fraction de degré au-dessous de quarante degrés.

"(c.) Et en sus des taux ci-dessus, un autre droit spécifique dans tous les cas de deux centins et demi par gallon lorsqu'ils ne sont pas ainsi importés directement sans transbordement.

" Les colis (lorsqu'ils sont en bois) dans lesquels ils sont importés devant être dans tous les cas exempts de droits."

Et considérant que par le 4e article du dit acte, il est de plus statué comme suit :—

"4. Le Gouverneur en conseil pourra, quand il jugera à propos de le faire dans l'intérêt public, suspendre par proclamation l'opération du premier article du présent acte à l'égard du second item du dit article, pendant le temps indiqué dans cette proclamation, et déclarer que durant ce temps la disposition qui suit sera en vigueur en son lieu et place.

" 2. Toutes mélasses n.a.p., tous sirops n.a.p., tous fonds de cuve, tous lavages de cuve, tout jus de canne tout jus de canne concentré, tout jus de betterave et tout jus de betterave concentré, —

" (a.) Accusant au polariscope quarante degrés ou plus et pas plus de cinquante-six degrés, un droit spécifique d'un centin et demi par gallon.

" (b.) Accusant moins de quarante degrés, un droit spécifique d'un centin et demi par gallon, et en sus, un centin par gallon pour chaque degré ou fraction de degré au-dessous de quarante degrés.

" Les colis (lorsqu'ils sont en bois) dans lesquels ils sont importés devant être dans tous les cas exempts de droits."

Et considérant qu'il a été démontré à Notre Gouverneur en conseil qu'il est dans l'intérêt public de suspendre l'opération de l'article un du dit acte au sujet du deuxième item d'icelui,—

SACHEZ DONC que par et avec l'avis de Notre Conseil privé pour le Canada, Nous suspendons par la présente proclamation l'opération du dit article un du dit acte au sujet du deuxième item d'icelui pour une période de deux ans à compter de la date des présentes, et par et avec le dit avis Nous déclarons que durant la dite période ce qui suit sera en vigueur en son lieu et place :—

" 2. Toutes mélasses n.a.p., tous sirops n.a.p., tous fonds de cuve, tous lavages de cuve, tout jus de canne, tout jus de canne concentré, tout jus de betterave et tout jus de betterave concentré,—

" (a.) Accusant au polariscope quarante degrés ou plus et pas plus de cinquante-six degrés, un droit spécifique d'un centin et demi par gallon.

" (b.) Accusant moins de quarante degrés, un droit spécifique d'un centin et demi par gallon, et en sus un centin par gallon pour chaque degré ou fraction de degré au-dessous de quarante degrés.

" Les colis (lorsqu'ils sont en bois) dans lesquels ils sont importés devant être dans tous les cas exempts de droits."

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Seau du Canada. CONSIDÉRANT que par l'article 2 d'un acte de Notre Parlement du Canada, passé dans les 54e et 55e années de Notre règne, chapitre 45, et intitulé " Acte modifiant les actes concernant les droits de douane," il est statué comme suit :

" 2. Les droits de douane, s'il en est, imposés par les dits actes sur les effets mentionnés au présent article, sont par le présent abrogés, et les dits effets pourront être importés en Canada ou sortis de l'entrepôt pour la consommation, francs de droits, savoir :—

" Tout sucre de canne ne dépassant pas le numéro quatorze, type de Hollande sous le rapport de la couleur, tout sucre de betterave ne dépassant pas le numéro quatorze, type de Hollande sous le rapport de la couleur, tous balayages de sucre, tous égouts de sucre ou pompages égouttés durant le transit, tout mélado, tout mélado concentré, toutes mélasses n.a.p., toutes mélasses concentrées n.a.p., tout jus de canne n.a.p., tout jus de canne concentré n.a.p., tout jus de betterave n.a.p., tout jus de betterave concentré n.a.p., tout fonds de cuves n.a.p., et toutes concrétions n.a.p., importés directement, sans transbordement, du pays de leur provenance et production."

« 2. Les droits de douane, s'il en est, imposés par les dits actes sur les effets mentionnés au présent sont par le présent abrogés, et les dits effets pourront être importés en Canada ou sortis de l'entrepôt pour la consommation, francs de droits, savoir :—

Et considerant qu'il a été démontré à Notre Gouverneur en conseil qu'il est dans l'intérêt public de suspendre l'opération de l'article 2 du dit acte en premier lieu mentionné, et d'y substituer d'autres dispositions, tel qu'il est établi par l'article 6 du dit acte en dernier lieu mentionné,—

Sachez donc que par et avec l'avis de Notre Conseil privé pour le Canada, Nous suspendons par Notre présente proclamation, l'opération du dit article 2 de l'acte en premier lieu mentionné pour une période de deux ans à compter de la date des présentes, et par et avec l'avis susdit Nous déclarons par le présent que durant la dite période ce qui suit sera en vigueur en son lieu et place :—

DÉPÊCHES.

(Circulaire.)

Downing Street,
9 décembre 1892.

Milord,—Relativement à la dépêche circulaire du 4 de février dernier, concernant l'expiration du Traité commercial entre ce pays et l'Espagne, j'ai l'honneur de transmettre, pour qu'elle soit connue dans la colonie que vous administrez, une traduction d'un avis qui a paru dans la *Gazette des Douanes*, Madrid, annonçant que les produits des possessions anglaises bénéficieront de la deuxième colonne du tarif espagnol.

J'ai l'honneur d'être,
Milord,
Votre très-obéissant serviteur,
RIPON.

L'Administrateur
du gouvernement du Canada.

Du "Boletin oficial de la Direccion General de Aduanas" (Gazette des Douanes) de Madrid, 10 *novembre* 1892.

ORDRE ROYAL ordonnant que les produits des possessions anglaises bénéficieront de la deuxième colonne du tarif actuel. 4 octobre 1892.

"Expediente" n° 1,044.92.

L'Ordre Royal ci-dessous a été communiqué par le Ministère d'Etat à celui des Finances :—

MONSIEUR,—En réponse à l'Ordre Royal que Votre Excellence a eu la bonté de m'adresser demandant mon opinion sur la question de savoir si en vertu d'arrangements internationaux l'île de Terreneuve et la côte du Labrador ont droit de jouir des bénéfices de la deuxième colonne du tarif actuel, en leur qualité de possessions anglaises,—

Sa Majesté le Roi (que Dieu protège !) et en son nom la Reine Régente a bien voulu ordonner que votre office soit informé qu'il ne serait pas raisonnable de refuser aux Colonies Britanniques le même traitement commercial qui est concédé à la mère patrie, vu que l'Angleterre concède le même traitement commercial aux Colonies Espagnoles qu'à l'Espagne, et ce ne doit être que par suite d'une omission involontaire que ce fait n'est pas mentionné dans l'Ordre Royal du 29 de juin.

Par Ordre Royal, que le Ministre d'Etat m'a communiqué, je vous fais part de ce renseignement, afin que Votre Excellence puisse donner les ordres nécessaires dans le sens voulu par les douanes de la péninsule et des îles adjacentes.

Ceci est publié dans le "Boletin" pour l'information des douanes, afin que le traitement de la deuxième colonne du tarif actuel soit concédé aux produits des possessions anglaises, tel que pourvu dans l'Ordre Royal ci-dessus.

Que Dieu vous garde !
Madrid, 4 octobre 1892.

Circulaire.

DOWNING STREET,
3 décembre 1892.

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre du secrétaire de l'Institut des Arpenteurs-Géomètres renfermant des copies d'un mémoire du Conseil de l'Institut concernant l'admission, comme membres, d'arpenteurs-géomètres qui occupent des charges officielles dans les colonies et dépendances britanniques.

Toute demande à l'effet d'être reçu membre devrait être adressée directement à l'Institut.

J'ai l'honneur d'être,
Milord,
Votre très humble serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

INSTITUT DES ARPENTEURS-GÉOMÈTRES.

(Constitué par charte royale.)

12, GREAT GEORGE STREET,

WESTMINSTER, S.W., 21 novembre 1892.

MONSIEUR,—Je suis chargé de vous envoyer les copies ci-jointes d'un mémoire du Conseil de cet Institut, concernant l'admission comme membre d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques.

Le mémoire est explicatif, mais je ferai observer que ces arrangements ne s'appliquent qu'aux arpenteurs-géomètres officiels et non pas aux arpenteurs-géomètres qui exercent leur profession en particulier dans les colonies.

Dans le cours des derniers vingt-cinq ans, le Conseil de cet Institut a très bien réussi dans ces efforts pour relever la condition et améliorer l'efficacité des arpenteurs-géomètres dans la mère patrie et il désire accomplir les mêmes résultats vis-à-vis des arpenteurs-géomètres coloniaux, et leur permettre de participer aux privilèges et avantages conférés par notre charte, et de les faire bénéficier des influences qui ont été si avantageuses ici.

Afin d'atteindre ce but, le Conseil ose espérer que votre département pourra lui aider à faire connaître la chose aux personnes influentes dans les colonies.

Je serai heureux de vous fournir d'autant de copies du mémoire que vous désirerez.

Je suis,
(Signé) JULIAN C. ROGERS.
Secrétaire.

Le Sous-Secrétaire d'Etat
pour les colonies.

INSTITUT DES ARPENTEURS-GÉOMÈTRES.

(Constituée par charte royale.)

12, GREAT GEORGE STREET, WESTMINSTER.

MÉMOIRE du Conseil de l'Institut concernant l'admission de membres coloniaux.

Dans le cours des derniers vingt ans le Conseil de l'Institut a reçu de la part d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques, plusieurs demandes d'être élus membres de l'Institut ; mais ce n'est que récemment que le Conseil a été en mesure de recevoir des demandes d'admission, sans examen, en vertu du règlement suivant qui est devenu exécutoire à la fin de l'année 1891, en conséquence d'une clause spéciale de la charte :—

"Personne ne pourra être élu membre s'il n'a passé "l'examen exigé par les règles d'examen pour pouvoir "être membre. Néanmoins le Conseil pourra, par un "vote, en personne ou par procuration, de pas moins "des trois quarts de tout le Conseil, dispenser du sus- "dit examen en faveur d'un candidat d'une réputation "exceptionnelle comme arpenteur-géomètre ou d'un "candidat occupant une charge officielle comme "arpenteur-géomètre dans une des colonies ou dépen- "dances anglaises qui aura passé tel autre examen "que le Conseil pourra accepter au lieu du dit exa- "men."

L'Institut comprend environ 2,500 membres de toutes classes—membres, associés professionnels, associés non-professionnels, et étudiants. Sauf pour la classe limitée des associés non-professionnels, tous les grades d'affiliation ne s'obtiennent qu'au moyen d'un examen, épreuve très sévère à laquelle les arpenteurs-géomètres dans les colonies, dans les circonstances, ne sont pas supposés devoir se soumettre.

Agissant d'après les pouvoirs conférés par la charte et le règlement ci-dessus cités, et en vue de fédérer la profession par tout l'Empire, et dans le but aussi d'affermir et définir la condition professionnelle des arpenteurs-géomètres coloniaux, le Conseil de l'Institut est prêt à admettre des demandes d'admission comme membres, sans examen, de la part d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques suivantes, dans lesquelles il est entendu que les candidats pour ces emplois sont tenus de passer un examen qui tiendra lieu de l'examen professionnel de l'Institut :—

Inde,
Victoria,
Nouvelle Galles du Sud
Queensland,
Australie Occidentale,
Australie Méridionale,
Nouvelle-Zélande,
Tasmanie,
Canada,
Guyane anglaise,
Antilles,
Colonie du Cap,
Etablissements des Détroits.

Le Conseil se réserve le droit de varier de temps à autre la liste de ces colonies et dépendances selon que les circonstances sembleront rendre la chose désirable.

Ci-suivent les conditions auxquelles les demandes d'admission seront considérées par le Conseil :—

1. Un arpenteur-géomètre colonial sera considéré éligible *ceteris paribus* s'il a passé un examen le rendant habile à agir comme arpenteur autorisé ou licencié, ou comme arpenteur officiel ou de la couronne, ou arpenteur général, dans aucune des colonies et dépendances ci-dessus.

2. Tous les candidats seront tenus de fournir une description détaillée de l'examen ou des examens qu'ils ont passés dans les colonies, laquelle description devra être signée par le candidat, et, dans le cas d'un officier subordonné, contresigné par l'arpenteur général, ou, dans le cas d'un arpenteur général, par le secrétaire colonial ou autre chef officiel, et sera tenu aussi de fournir des certificats de bonnes mœurs indépendamment des certificats professionnels déjà mentionnés.

3. Le diplôme accordé à un membre colonial portera à sa face un avis qu'il ne s'applique qu'aux colonies, et qu'il n'est aucunement un diplôme utile à un arpenteur pratiquant dans le Royaume-Uni.

4. Chaque candidat sera tenu de signer une déclaration formelle à cet effet, et convenir que le diplôme sera remis au Conseil dans le cas où le candidat pour une cause quelconque cesserait de pratiquer dans les colonies.

5. Chaque membre colonial sera tenu de déposer entre les mains du secrétaire, un ordre permanent sur un agent de Londres assurant le versement annuel de son abonnement, et par la voie duquel agent les papiers concernant l'Institut pourront être périodiquement transmis.

6. Les membres coloniaux paieront à un taux réduit un honoraire d'entrée de trois guinées, et un abonnement annuel de deux guinées.

7. Les candidats devront avoir dépassé l'âge de 25 ans.

8. Une fois que les membres coloniaux auront été élus, ils seront censés être assujétis aux dispositions des règlements généraux qui s'appliquent à eux, et ils seront tenus de signer une déclaration formelle à cet effet, attaché à la formule de demande.

9. Toutes demandes devront être faites d'après des formules obtenues du secrétaire de l'Institut à l'adresse susdite, et tomberont sous le coup de toutes les dispositions des règlements qui traitent de l'approbation par le Conseil et la confirmation par le corps général des membres, et chaque cas sera traité selon son mérite.

Les privilèges des membres coloniaux seront identiques à ceux des autres membres, et peuvent être brièvement énumérés comme suit :—

(*a.*) Le droit comme membre de l'Institut des arpenteurs-géomètres de se servir des lettres M.I.A.

(*b.*) Le droit de recevoir des exemplaires des "Transactions" de l'Institut, publiées à différents intervalles pendant la session de novembre à mai. Aussi des exemplaires des "Notes professionnelles" publiées à des intervalles de deux ou trois mois pendant l'année.

(*c.*) Le droit à un diplôme d'affiliation, sujet, comme dans les autres cas, à un avis de son renouvellement annuel.

(*d.*) Le droit, pendant une résidence temporaire en Angleterre, d'assister aux réunions de l'Institut, de fréquenter la bibliothèque et les salles de l'Institut, et de jouir de tous les privilèges des membres résidant dans le Royaume-Uni ; et

(*e.*) Tous les droits de voter que peuvent exercer les personnes ne résidant pas dans le Royaume-Uni.

Par ordre du Conseil,

JULIAN C. ROGERS,
Secrétaire.

DEMANDES AU PARLEMENT.

Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

DESPATCHES.

(Circular.)

Downing Street,
9th December, 1892.

My Lord,—With reference to my predecessor's circular despatch of the 4th of February last, respecting the termination of the Commercial Treaty between this Country and Spain, I have the honour to transmit, for the information of the Colony under your Government, a translation of a notice from the Customs *Gazette*, Madrid, announcing that products of British Possessions shall enjoy the benefit of the Second Column of the Spanish Tariff.

I have the honour to be,
My Lord,
Your most obedient, humble Servant,
RIPON.

The Officer Administering
the Government of Canada.

From the "Boletin Oficial de la Direccion General de Aduanas" (Customs Gazette) of Madrid, 10th November, 1892.

Royal Order directing that products of British Possessions shall enjoy the benefit of the Second Column of the present Tariff. 4th October, 1892.

"Expediente" No. 1,044.92.

The following Royal Order has been communicated by the Ministry of State to that of Finance:—

Sir,—In reply to the Royal Order which your Excellency was good enough to address to me asking my opinion on the question whether, in virtue of international arrangements, the Island of Newfoundland and the Coast of Labrador have a right to the enjoyment of the benefits of the Second Column of the present tariff as being British Possessions,

His Majesty the King (whom God preserve!), and in his name the Queen Regent has been pleased to direct that your Office be informed that it would not be reasonable to refuse to the British Colonies the same commercial treatment that is conceded to the Mother Country, seeing that England concedes the same commercial treatment to Spanish Colonies as to Spain, and that it must be in consequence of an unintentional omission that this is not stated in the Royal Order of the 29th June.

By Royal Order, communicated to me by the Minister of State, I acquaint Your Excellency with this for your information, and to enable you to give any necessary orders in the direction indicated to the Custom-houses of the Peninsula and the adjacent Islands.

This is published in the "Boletin" for the information of the Custom-houses, in order that the treatment of the Second Column of the present Tariff may be conceded to products of British Possessions, as provided in the preceding Royal Order.

God preserve you many years!

Madrid, 4th October, 1892.

Thursday, the 13th day of November, 1890.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the affidavit which is required to be made by a person obtaining a homestead entry in the Railway Belt in British Columbia does not correspond with the existing regulations governing such entries, as the applicant is required to swear that he does not own any lands in the railway belt, whereas section 13 of said Regulations provides that any person may get a homestead who does not hold or own by preemption record, or otherwise, under the laws of the Province of British Columbia, more than 160 acres of land within the railway belt,—

Therefore His Excellency, under the authority conferred upon him by chapter 56 of the Revised Statutes, intituled "An Act respecting certain public lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, is pleased to prescribe the following amended form of affidavit, which has received the approval of the Minister of Justice, as the affidavit which is required to be made in support of a claim for homestead entry by any person who has not previously obtained homestead entry, and the same is hereby prescribed accordingly.

JOHN J. McGEE,
Clerk of the Privy Council.

FORM C.

AFFIDAVIT in support of a claim for homestead entry by a person who has not previously obtained homestead entry.

I, A.B., do solemnly swear (*or* affirm, *as the case may be*) that I am over eighteen years of age; that to the best of my knowledge and belief the land in respect of which my application is made is surveyed agricultural land; it is not chiefly valuable for its timber or for hay land, nor is there upon it any stone or marble quarry, or coal or other mineral having commercial value; there is not upon it any water power which may serve to drive machinery, nor is it specially valuable by reason of its position, such as being the shore of an important harbour, bridge site or canal site, or being either an actual or prospective railway terminus or station; that there is no person residing on the said land, nor are there any improvements thereon, and that this application is made for my exclusive use and benefit, with the intention of residing upon and cultivating the said land, and not directly or indirectly for the use or benefit of any other person or persons whomsoever, and that I have not heretofore obtained a homestead on Dominion lands, nor do I hold or own, by preemption record or otherwise, under the laws of British Columbia more than 160 acres within the tract known as the Railway Belt in British Columbia.

All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line ; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work ; the granting the right of Ferry ; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company ; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community ; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz :

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District in which a newspaper is published.

In any other Province or Territory.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County or District, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County or District in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask ; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the Bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the Clerk of the Senate, or the accountant of the House of Commons (as the case may be) a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

The fee payable on any Private Bill is paid only in the House in which it originates.

No Petition for a Private Bill is received by either House after the first ten days of the session.

EDOUARD J. LANGEVIN,
Clerk of the Senate.

JOHN GEORGE BOURINOT,

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
9 décembre 1892.

MILORD,—Relativement à la dépêche circulaire du 4 de février dernier, concernant l'expiration du Traité commercial entre ce pays et l'Espagne, j'ai l'honneur de transmettre, pour qu'elle soit connue dans la colonie que vous administrez, une traduction d'un avis qui a paru dans la *Gazette des Douanes*, Madrid, annonçant que les produits des possessions anglaises bénéficieront de la deuxième colonne du tarif espagnol.

J'ai l'honneur d'être,
Milord,
Votre très-obéissant serviteur,
RIPON.

L'Administrateur
du gouvernement du Canada.

Du "Boletin oficial de la Direccion General de Aduanas" (Gazette des Douanes) de Madrid, 10 *novembre* 1892.

ORDRE ROYAL ordonnant que les produits des possessions anglaises bénéficieront de la deuxième colonne du tarif actuel. 4 octobre 1892.

"Expediente" n° 1,044.92.

L'Ordre Royal ci-dessous a été communiqué par le Ministère d'Etat à celui des Finances :—

MONSIEUR,—En réponse à l'Ordre Royal que Votre Excellence a eu la bonté de m'adresser demandant mon opinion sur la question de savoir si en vertu d'arrangements internationaux l'île de Terreneuve et la côte du Labrador ont droit de jouir des bénéfices de la deuxième colonne du tarif actuel, en leur qualité de possessions anglaises,—

Sa Majesté le Roi (que Dieu protège !) et en son nom la Reine Régente a bien voulu ordonner que votre office soit informé qu'il ne serait pas raisonnable de refuser aux Colonies Britanniques le même traitement commercial qui est concédé à la mère patrie, vu que l'Angleterre concède le même traitement commercial aux Colonies Espagnoles qu'à l'Espagne, et ce ne doit être que par suite d'une omission involontaire que ce fait n'est pas mentionné dans l'Ordre Royal du 29 de juin.

Par Ordre Royal, que le Ministre d'Etat m'a communiqué, je vous fais part de ce renseignement, afin que Votre Excellence puisse donner les ordres nécessaires dans le sens voulu par les douanes de la péninsule et des îles adjacentes.

Ceci est publié dans le "Boletin" pour l'information des douanes, afin que le traitement de la deuxième colonne du tarif actuel soit concédé aux produits des possessions anglaises, tel que pourvu dans l'Ordre Royal ci-dessus.

Que Dieu vous garde !

Madrid, 4 octobre 1892.

DOWNING STREET,

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre du secrétaire de l'Institut des Arpenteurs-Géomètres renfermant des copies d'un mémoire du Conseil de l'Institut concernant l'admission, comme membres, d'arpenteurs-géomètres qui occupent des charges officielles dans les colonies et dépendances britanniques.

Toute demande à l'effet d'être reçu membre devrait être adressée directement à l'Institut.

J'ai l'honneur d'être,
Milord,
Votre très humble serviteur,
RIPON.

A l'Administrateur
du gouvernement du Canada.

INSTITUT DES ARPENTEURS-GÉOMÈTRES.

(Constitué par charte royale.)

12, Great George Street,

Westminster, S.W., 21 novembre 1892.

Monsieur,—Je suis chargé de vous envoyer les copies ci-jointes d'un mémoire du Conseil de cet Institut, concernant l'admission comme membre d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques.

Le mémoire est explicatif, mais je ferai observer que ces arrangements ne s'appliquent qu'aux arpenteurs-géomètres officiels et non pas aux arpenteurs-géomètres qui exercent leur profession en particulier dans les colonies.

Dans le cours des derniers vingt-cinq ans, le Conseil de cet Institut a très bien réussi dans ces efforts pour relever la condition et améliorer l'efficacité des arpenteurs-géomètres dans la mère patrie et il désire accomplir les mêmes résultats vis-à-vis des arpenteurs-géomètres coloniaux, et leur permettre de participer aux privilèges et avantages conférés par notre charte, et de les faire bénéficier des influences qui ont été si avantageuses ici.

Afin d'atteindre ce but, le Conseil ose espérer que votre département pourra lui aider à faire connaître la chose aux personnes influentes dans les colonies.

Je serai heureux de vous fournir d'autant de copies du mémoire que vous désirerez.

Je suis,
(Signé) JULIAN C. ROGERS.
Secrétaire.

Le Sous-Secrétaire d'Etat
pour les colonies.

INSTITUT DES ARPENTEURS-GÉOMÈTRES.

(Constituée par charte royale.)

12, Great George Street, Westminster.

Mémoire du Conseil de l'Institut concernant l'admission de membres coloniaux.

Dans le cours des derniers vingt ans le Conseil de l'Institut a reçu de la part d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques, plusieurs demandes d'être élus membres de l'Institut ; mais ce n'est que récemment que le Conseil a été en mesure de recevoir des demandes d'admission, sans examen, en vertu du règlement suivant qui est devenu exécutoire à la fin de l'année 1891, en conséquence d'une clause spéciale de la charte :—

" Personne ne pourra être élu membre s'il n'a passé
" l'examen exigé par les règles d'examen pour pouvoir
" être membre. Néanmoins le Conseil pourra, par un
" vote, en personne ou par procuration, de pas moins
" des trois quarts de tout le Conseil, dispenser du sus-
" dit examen en faveur d'un candidat d'une réputation
" exceptionnelle comme arpenteur-géomètre ou d'un
" candidat occupant une charge officielle comme
" arpenteur-géomètre dans une des colonies ou dépen-
" dances anglaises qui aura passé tel autre examen
" que le Conseil pourra accepter au lieu du dit exa-
" men."

L'Institut comprend environ 2,500 membres de toutes classes—membres, associés professionnels, associés non-professionnels, et étudiants. Sauf pour la classe limitée des associés non-professionnels, tous les grades d'affiliation ne s'obtiennent qu'au moyen d'un examen, épreuve très sévère à laquelle les arpenteurs-géomètres dans les colonies, dans les circonstances, ne sont pas supposés devoir se soumettre.

Agissant d'après les pouvoirs conférés par la charte et le règlement ci-dessus cités, et en vue de fédérer la profession par tout l'Empire, et dans le but aussi d'affermir et définir la condition professionnelle des arpenteurs-géomètres coloniaux, le Conseil de l'Institut est prêt à admettre des demandes d'admission comme membres, sans examen, de la part d'arpenteurs-géomètres occupant des charges officielles dans les colonies et dépendances britanniques suivantes, dans lesquelles il est entendu que les candidats pour ces emplois sont tenus de passer un examen qui tiendra lieu de l'examen professionnel de l'Institut :—

Inde,
Victoria,
Nouvelle Galles du Sud
Queensland,
Australie Occidentale,
Australie Méridionale,
Nouvelle-Zélande,
Tasmanie,
Canada,
Guyane anglaise,
Antilles,
Colonie du Cap,
Etablissements des Détroits.

Le Conseil se réserve le droit de varier de temps à autre la liste de ces colonies et dépendances selon que les circonstances sembleront rendre la chose désirable.

Ci-suivent les conditions auxquelles les demandes d'admission seront considérées par le Conseil :—

1. Un arpenteur-géomètre colonial sera considéré éligible *ceteris paribus* s'il a passé un examen le rendant habile à agir comme arpenteur autorisé ou licencié, ou comme arpenteur officiel ou de la couronne, ou arpenteur général, dans aucune des colonies et dépendances ci-dessus.

2. Tous les candidats seront tenus de fournir une description détaillée de l'examen ou des examens qu'ils ont passés dans les colonies, laquelle description devra être signée par le candidat, et, dans le cas d'un officier subordonné, contresigné par l'arpenteur général, ou, dans le cas d'un arpenteur général, par le secrétaire colonial ou autre chef officiel, et sera tenu aussi de fournir des certificats de bonnes mœurs indépendamment des certificats professionnels déjà mentionnés.

3. Le diplôme accordé à un membre colonial portera à sa face un avis qu'il ne s'applique qu'aux colonies, et qu'il n'est aucunement un diplôme utile à un arpenteur pratiquant dans le Royaume-Uni.

4. Chaque candidat sera tenu de signer une déclaration formelle à cet effet, et convenir que le diplôme sera remis au Conseil dans le cas où le candidat pour une cause quelconque cesserait de pratiquer dans les colonies.

5. Chaque membre colonial sera tenu de déposer entre les mains du secrétaire, un ordre permanent sur un agent de Londres assurant le versement annuel de son abonnement, et par la voie duquel agent les papiers concernant l'Institut pourront être périodiquement transmis.

6. Les membres coloniaux paieront à un taux réduit un honoraire d'entrée de trois guinées, et un abonnement annuel de deux guinées.

7. Les candidats devront avoir dépassé l'âge de 25 ans.

8. Une fois que les membres coloniaux auront été élus, ils seront censés être assujétis aux dispositions des règlements généraux qui s'appliquent à eux, et ils seront tenus de signer une déclaration formelle à cet effet, attaché à la formule de demande.

9. Toutes demandes devront être faites d'après des formules obtenues du secrétaire de l'Institut à l'adresse susdite, et tomberont sous le coup de toutes les dispositions des règlements qui traitent de l'approbation par le Conseil et la confirmation par le corps général des membres, et chaque cas sera traité selon son mérite.

Les privilèges des membres coloniaux seront identiques à ceux des autres membres, et peuvent être brièvement énumérés comme suit :—

(*a.*) Le droit comme membre de l'Institut des arpenteurs-géomètres de se servir des lettres M.I.A.

(*b.*) Le droit de recevoir des exemplaires des "Transactions" de l'Institut, publiées à différents intervalles pendant la session de novembre à mai. Aussi des exemplaires des "Notes professionnelles" publiées à des intervalles de deux ou trois mois pendant l'année.

(*c.*) Le droit à un diplôme d'affiliation, sujet, comme dans les autres cas, à un avis de son renouvellement annuel.

(*d.*) Le droit, pendant une résidence temporaire en Angleterre, d'assister aux réunions de l'Institut, de fréquenter la bibliothèque et les salles de l'Institut, et de jouir de tous les privilèges des membres résidant dans le Royaume-Uni ; et

(*e.*) Tous les droits de voter que peuvent exercer les personnes ne résidant pas dans le Royaume-Uni.

Par ordre du Conseil,
JULIAN C. ROGERS,
Secrétaire.

DEMANDES AU PARLEMENT.

Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

OTTAWA, THURSDAY, JANUARY 26, 1893.

DOMINION OF CANADA.

CHAMBER OF THE SENATE,

OTTAWA, Thursday, 26th January, 1893.

This day, at THREE o'clock P.M., HIS EXCELLENCY THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, His Excellency was pleased to open the THIRD SESSION of the SEVENTH PARLIAMENT OF THE DOMINION OF CANADA, with the following Speech :—

Honourable Gentlemen of the Senate:
Gentlemen of the House of Commons:

In meeting you at the commencement of another session of Parliament, it affords me pleasure to congratulate you on the continued progress which the history of the past year unfolds with regard to Canada.

The increase in trade, as illustrated by the exports and imports during the period for which the official returns have been prepared, has been most gratifying and that increase has continued down to the present time, with promise that the volume of trade during the current year will exceed that of any year in the history of the Dominion.

The revenues of the country have likewise provided for all the services for which Parliament has made appropriation and the operation of the Government Railways has been less burdensome, as regards the difference between income and expenditure than has been the case for a long term of years previously.

In Manitoba and the North-west Territories the increase in immigration has been decidedly encouraging, both as regards the number of persons who have come from other countries and as regards the number

PUISSANCE DU CANADA.

SALLE DU SÉNAT,

OTTAWA, jeudi, 26 janvier 1893.

Aujourd'hui à TROIS heures P.M., SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat s'étant assemblés, il a plu à Son Excellence d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, Son Excellence a ouvert la TROISIÈME SESSION du SEPTIÈME PARLEMENT DE LA PUISSANCE DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat,
Messieurs de la Chambre des Communes:

Il me fait plaisir, en vous rencontrant au commencement d'une nouvelle session du Parlement, d'avoir à vous féliciter sur les progrès qui ont marqué l'histoire du Canada durant la dernière année.

L'accroissement du commerce indiqué par les importations et les exportations de la période couverte par les derniers rapports officiels, est des plus satisfaisants, et cet accroissement s'est maintenu jusqu'à ce jour en nous faisant espérer que le volume du commerce pour l'année courante sera le plus considérable que nous aurons vu au Canada.

Les revenus du pays ont fait face à tous les services pour lesquels le Parlement avait voté des crédits, et le fonctionnement des chemins de fer du gouvernement a été moins onéreux qu'il ne l'a été depuis nombre d'années passées, en ce qui regarde l'écart entre les recettes et les dépenses.

Au Manitoba et au Nord-Ouest, l'augmentation de l'immigration a été bien encourageante au double point de vue du nombre de personnes venues des pays étrangers et du nombre d'inscriptions pour obtenof homestead entries made by settlers of all nationalities.

Measures have been taken to carry into effect the agreements arrived at with the United States on the subjects of the boundary of Alaska, boundary line in Passamaquoddy Bay, and the prevention of destructive methods of fishing and the preservation and increase of fish life. With regard to reciprocity in wrecking and towing, a correspondence has taken place which indicates that privileges are demanded for United States vessels in Canadian Canals, which were not anticipated, but it is not impossible that a satisfactory conclusion of the discussion may yet be reached.

During the recess a friendly conference took place between delegates from my Government and from the Government of Newfoundland, on the questions which were pending between the two countries. It is hoped and expected that the interchange of views which then took place will be productive of beneficial results and lead to an amicable adjustment of those questions.

The Statutes of 1887 relative to a Department of Trade and Commerce and to the office of Solicitor General having been brought into force, the appointments were made which were contemplated by these Acts.

It is to be regretted that the Government of the United States were unable to accept the suggestions made by my Government on the subject of canal tolls, and that the President should have thought it necessary to impose exceptional tolls on Canadians using the Sault Sainte-Marie Canal, which has so long been free to the people of both countries. My Government, while ready to consider in a friendly spirit any proposals which may be made by the Government of the United States, have caused efforts to be made to hasten the completion of the Canadian canal works, which will soon afford to the commerce of the Dominion a highway within our own country.

Measures will be laid before you for the improvement of the Franchise Act, for the amendment of the laws relating to the Civil Service, and the superannuation of civil servants, for regulating the admission of evidence in causes and matters under the control of the Parliament of Canada, for extending the system of voting by ballot to the North-west Territories, and for simplifying the laws relating to lands and land transfers in the Territories.

Gentlemen of the House of Commons:

The Public Accounts of the past year and the Estimates for the ensuing year will be laid before you without delay, and I trust it will be seen that ample provision may be made for the public service without increasing taxation.

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

I have every confidence that all these matters will receive your best attention and that your deliberations will keep in view, above all other considerations, the welfare and stability of the country.

tion de *homesteads* faites par des colons de toute nationalité.

Des mesures ont été prises pour exécuter les arrangements conclus avec les Etats-Unis dans le but de régler la question des frontières de l'Alaska, celle de la ligne frontière de la Baie de Passamaquoddy, et pour empêcher la pêche destructive du poisson et en augmenter la propagation. A l'égard de la réciprocité en matière d'assistance à rendre aux navires naufragés et au remorquage, il s'est établi une correspondance qui révèle le fait que les Etats-Unis réclament des privilèges que l'on n'avait pas prévus qu'ils demanderaient, mais il n'est pas impossible qu'on arrive à un règlement satisfaisant de cette difficulté.

Durant la vacance une conférence amicale a eu lieu entre des délégués de mon gouvernement et des représentants du gouvernement de Terreneuve, relativement aux questions pendantes entre les deux pays. On désire et l'on espère que l'échange de vues qui s'est fait aura des résultats avantageux et amènera un règlement à l'amiable de toutes ces questions.

Les statuts de 1887, concernant l'établissement d'un département du commerce et de la charge de solliciteur général, ayant été mis en vigueur, les nominations que ces actes nécessitaient, ont été faites.

Il est à regretter que le gouvernement des Etats-Unis n'ait pas pu accéder aux propositions que nous lui avons faites au sujet des droits de péages sur les canaux, et que le Président ait jugé à propos d'imposer des droits exceptionnels aux Canadiens qui se servent du canal du Sault-Sainte-Marie, dont l'accès a été durant si longtemps libre au peuple des deux pays. Mon gouvernement, tout en étant disposé à prendre en considération avec un esprit conciliant les propositions que pourrait lui faire le gouvernement des Etats-Unis, a pris des mesures pour hâter le parachèvement des travaux du canal canadien, qui offrira bientôt au commerce de la Puissance, une voie à travers notre territoire.

Des mesures vous seront présentées, à l'effet d'amender l'Acte du cens électoral, les actes concernant le service civil et la mise à la retraite des fonctionnaires publics, et aussi les lois qui règlent l'admission de la preuve dans les causes et les questions du domaine du Parlement du Canada, et aussi des mesures pour étendre aux territoires du Nord-Ouest le système de vote au scrutin secret et pour simplifier les lois relatives aux propriétés foncières et au transport de ces propriétés dans les territoires.

Messieurs de la Chambre des Communes:

Les comptes publics pour l'année écoulée et les estimations budgétaires pour l'année prochaine vous seront présentés sans délai, et j'espère que celles-ci démontreront qu'il est possible de faire face aux services publics sans augmenter les impôts.

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes:

Je suis certain que toutes ces questions attireront votre sérieuse attention et qu'en les étudiant vous aurez en vue, au-dessus de tout autre but, le bien-être et la stabilité du pays.

"Expediente" No. 1,044.92.

The following Royal Order has been communicated by the Ministry of State to that of Finance :—

Sir,—In reply to the Royal Order which your Excellency was good enough to address to me asking my opinion on the question whether, in virtue of international arrangements, the Island of Newfoundland and the Coast of Labrador have a right to the enjoyment of the benefits of the Second Column of the present tariff as being British Possessions,

His Majesty the King (whom God preserve !), and in his name the Queen Regent has been pleased to direct that your Office be informed that it would not be reasonable to refuse to the British Colonies the same commercial treatment that is conceded to the Mother Country, seeing that England concedes the same commercial treatment to Spanish Colonies as to Spain, and that it must be in consequence of an unintentional omission that this is not stated in the Royal Order of the 29th June.

By Royal Order, communicated to me by the Minister of State, I acquaint Your Excellency with this for your information, and to enable you to give any necessary orders in the direction indicated to the Custom-houses of the Peninsula and the adjacent Islands.

This is published in the "Boletin" for the information of the Custom-houses, in order that the treatment of the Second Column of the present Tariff may be conceded to products of British Possessions, as provided in the preceding Royal Order.

God preserve you many years !

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Honorables Messieurs du Sénat,
Messieurs de la Chambre des Communes :

Il me fait plaisir, en vous rencontrant au commencement d'une nouvelle session du Parlement, d'avoir à vous féliciter sur les progrès qui ont marqué l'histoire du Canada durant la dernière année.

L'accroissement du commerce indiqué par les importations et les exportations de la période couverte par les derniers rapports officiels, est des plus satisfaisants, et cet accroissement s'est maintenu jusqu'à ce jour en nous faisant espérer que le volume du commerce pour l'année courante sera le plus considérable que nous aurons vu au Canada.

Les revenus du pays ont fait face à tous les services pour lesquels le Parlement avait voté des crédits, et le fonctionnement des chemins de fer du gouvernement a été moins onéreux qu'il ne l'a été depuis nombre d'années passées, en ce qui regarde l'écart entre les recettes et les dépenses.

Au Manitoba et au Nord-Ouest, l'augmentation de l'immigration a été bien encourageante au double point de vue du nombre de personnes venues des pays étrangers et du nombre d'inscriptions pour obtention de *homesteads* faites par des colons de toute nationalité.

Des mesures ont été prises pour exécuter les arrangements conclus avec les Etats-Unis dans le but de régler la question des frontières de l'Alaska, celle de la ligne frontière de la Baie de Passamaquoddy, et pour empêcher la pêche destructive du poisson et en augmenter la propagation. A l'égard de la réciprocité en matière d'assistance à rendre aux navires naufragés et au remorquage, il s'est établi une correspondance qui révèle le fait que les Etats-Unis réclament des privilèges que l'on n'avait pas prévus qu'ils demanderaient, mais il n'est pas impossible qu'on arrive à un règlement satisfaisant de cette difficulté.

Durant la vacance une conférence amicale a eu lieu entre des délégués de mon gouvernement et des représentants du gouvernement de Terreneuve, relativement aux questions pendantes entre les deux pays. On désire et l'on espère que l'échange de vues qui s'est fait aura des résultats avantageux et amènera un règlement à l'amiable de toutes ces questions.

Les statuts de 1887, concernant l'établissement d'un département du commerce et de la charge de solliciteur général, ayant été mis en vigueur, les nominations que ces actes nécessitaient, ont été faites.

Il est à regretter que le gouvernement des Etats-Unis n'ait pas pu accéder aux propositions que nous lui avons faites au sujet des droits de péages sur les canaux, et que le Président ait jugé à propos d'imposer des droits exceptionnels aux Canadiens qui se servent du canal du Sault-Sainte-Marie, dont l'accès a été durant si longtemps libre au peuple des deux pays. Mon gouvernement, tout en étant disposé à prendre en considération avec un esprit conciliant les propositions que pourrait lui faire le gouvernement des Etats-Unis, a pris des mesures pour hâter le parachèvement des travaux du canal canadien, qui offrira bientôt au commerce de la Puissance, une voie à travers notre territoire.

Des mesures vous seront présentées, à l'effet d'amender l'Acte du cens électoral, les actes concernant le service civil et la mise à la retraite des fonctionnaires publics, et aussi les lois qui règlent l'admission de la preuve dans les causes et les questions du domaine du Parlement du Canada, et aussi des mesures pour étendre aux territoires du Nord-Ouest le système de vote au scrutin secret et pour simplifier les lois relatives aux propriétés foncières et au transport de ces propriétés dans les territoires.

Messieurs de la Chambre des Communes:

Les comptes publics pour l'année écoulée et les estimations budgétaires pour l'année prochaine vous seront présentés sans délai, et j'espère que celles-ci démontreront qu'il est possible de faire face aux services publics sans augmenter les impôts.

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes:

Je suis certain que toutes ces questions attireront votre sérieuse attention et qu'en les étudiant vous aurez en vue, au-dessus de tout autre but, le bien-être et la stabilité du pays.

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
9 décembre 1892.

MILORD,—Relativement à la dépêche circulaire du 4 de février dernier, concernant l'expiration du Traité commercial entre ce pays et l'Espagne, j'ai l'honneur de transmettre, pour qu'elle soit connue dans la colonie que vous administrez, une traduction d'un avis qui a paru dans la *Gazette des Douanes*, Madrid, annonçant que les produits des possessions anglaises bénéficieront de la deuxième colonne du tarif espagnol.

J'ai l'honneur d'être,
Milord,
Votre très-obéissant serviteur,
RIPON.

L'Administrateur
du gouvernement du Canada.

Du "Boletin oficial de la Direccion General de Aduanas" (Gazette des Douanes) de Madrid, 10 *novembre* 1892.

ORDRE ROYAL ordonnant que les produits des possessions anglaises bénéficieront de la deuxième colonne du tarif actuel. 4 octobre 1892.

"Expediente" nº 1,044.92.

L'Ordre Royal ci-dessous a été communiqué par le Ministère d'Etat à celui des Finances :—

MONSIEUR,—En réponse à l'Ordre Royal que Votre Excellence a eu la bonté de m'adresser demandant mon opinion sur la question de savoir si en vertu d'arrangements internationaux l'île de Terreneuve et la côte du Labrador ont droit de jouir des bénéfices de la deuxième colonne du tarif actuel, en leur qualité de possessions anglaises,—

Sa Majesté le Roi (que Dieu protège!) et en son nom la Reine Régente a bien voulu ordonner que votre office soit informé qu'il ne serait pas raisonnable de refuser aux Colonies Britanniques le même traitement commercial qui est concédé à la mère patrie, vu que l'Angleterre concède le même traitement commercial aux Colonies Espagnoles qu'à l'Espagne, et ce ne doit être que par suite d'une omission involontaire que ce fait n'est pas mentionné dans l'Ordre Royal du 29 de juin.

Par Ordre Royal, que le Ministre d'Etat m'a communiqué, je vous fais part de ce renseignement, afin que Votre Excellence puisse donner les ordres nécessaires dans le sens voulu par les douanes de la péninsule et des îles adjacentes.

Ceci est publié dans le "Boletin" pour l'information des douanes, afin que le traitement de la deuxième colonne du tarif actuel soit concédé aux produits des possessions anglaises, tel que pourvu dans l'Ordre Royal ci-dessus.

Que Dieu vous garde!

Madrid, 4 octobre 1892.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

ORDERS IN COUNCIL.

[3388]

Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th of January, 1893.

On a Report, dated 31st December, 1892, from the Minister of the Interior, submitting the following with respect to the proposed sales of school lands,—

After a careful consideration of the long standing question of the illegal occupation and cultivation of school lands in Manitoba, it was decided that except in certain special cases which the Minister of the Interior proposes to submit for special consideration by Your Excellency in Council, the only way of protecting the interests of the School Endowment and of preventing at the same time any apparent hardships to those squatters who in good faith and ignorance of the law had settled upon these lands, would be to offer at public auction at an early date all those quarter-sections of school lands which, to the knowledge of the Department of the Interior, were illegally occupied, thus affording the squatters an opportunity of acquiring the land, and after the sales to take legal proceedings against all those who failed to avail themselves of this chance of acquiring the land, and yet persisted in their illegal occupation or cultivation of the same.

It was also proposed to take advantage of this sale to offer at the same time those school lands for which applications had been made, and which had been inspected, provided that no lands should be offered at less than $5.00 per acre.

The Minister observes that before taking any further steps in the matter the Commissioner of Dominion Lands, in accordance with instructions from him (the Minister) consulted M. Greenway, the Premier of the Province, as to the views of his Government with respect to the proposed sale, and is informed that Mr. Greenway concurred as to the desirability of offering for sale the lands squatted on, but expressed himself as being doubtful as to the expediency of including this season any of the other school lands in such sale, unless there be a demand for them. It is, therefore, only proposed to offer, in addition to the lands illegally occupied or cultivated, those lands for which special applications have been received. There is no danger of any of those lands being sold at a sacrifice, as care has been taken to place an upset price upon each parcel equal to the full value of the land, as determined and made after inspection of each parcel by a specially qualified officer of the Department of the Interior, and a subsequent independent valuation made by a competent appraiser.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction the school lands comprised in lists prepared by his authority in accordance with the facts hereinbefore recited, and at an upset price set opposite each parcel in the said lists, being in no case less than $5.00 per acre, the sales to be held at the places and on the dates mentioned in such lists, that is to say :—

At Morden,	25th January, 1893.
At Pilot Mound,	27th January, 1893.
At Deloraine,	30th January, 1893.
At Glenboro',	2nd February, 1893.
At Minnedosa,	8th February, 1893.
At Portage la Prairie,	11th February, 1893.
At Brandon,	14th February, 1893.
At Winnipeg,	16th February, 1893.

The Minister further recommends that the provision contained in the Order in Council of the 12th of December, 1891, with respect to the reservation of the minerals in the school lands offered for sale in January and February, 1892, be also made applicable to the lands which it is now proposed to offer for sale, that is to say, that notwithstanding the provisions of clause 8 of the Regulations for the disposal of Dominion Lands authorized by Order in Council of the 17th of September, 1889, the school lands to be offered at the proposed sales in January and February next, be not subject to a reservation to the Crown of the mines and minerals therein, except in cases where the Director of the Geological Survey has reported the lands as likely to contain minerals and of economic value, due note of which has been made in the lists.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

PUISSANCE DU CANADA.

ARRÊTÉ EN CONSEIL.

Rapport d'un comité de l'honorable Conseil privé, approuvé par Son Excellence le Gouverneur général en conseil, le 6 de janvier 1893.

VU un rapport daté le 31 de décembre 1892, du ministre de l'Intérieur, soumettant ce qui suit au sujet des ventes projetées de terres des écoles,—

Après un sérieux examen de la question longtemps débattue de l'occupation et cultivation illégales de terres des écoles dans le Manitoba, il a été décidé que, sauf dans certains cas spéciaux que le ministre de l'Intérieur propose de soumettre à la considération spéciale de Votre Excellence en conseil, le seul moyen de protéger les intérêts du Fonds des Ecoles, et en même temps empêcher tout préjudice apparent à ceux des *squatters* qui de bonne foi et en ignorance de la loi se sont établis sur ces terres, serait d'offrir à l'enchère publique, à une date rapprochée, tous ces quarts de sections de terres des écoles qui, à la connaissance du ministère de l'Intérieur, sont illégalement occupées, donnant ainsi aux *squatters* une occasion d'acquérir la terre, et après la vente, d'intenter des poursuites contre tous ceux qui auront manqué de se prévaloir de cette chance d'acquérir la terre, et persistent quand même dans leur occupation et cultivation illégales.

Il a aussi été proposé de prendre avantage de cette vente pour offrir en même temps celles des terres des écoles pour lesquelles des demandes ont été faites et qui ont été inspectées, pourvu que nulles terres soient offertes à moins de $5 l'acre.

Le ministre remarque qu'avant de prendre des mesures dans la matière, le commissaire des terres fédérales, en conformité d'instructions venues de lui (le ministre), consulta M. Greenway, le premier ministre de la province, sur les vues de son gouvernement au sujet de la vente projetée, et est informé que M. Greenvay reconnaissait l'avantage d'offrir en vente les terres occupées par des squatters, mais avait des doutes quant à l'à-propos d'inclure cette saison, dans telle vente, aucune des autres terres des écoles, à moins qu'elles ne fussent déjà demandées. En conséquence, on ne se propose d'offrir, en sus des terres illégalement occupées ou cultivées, que les terres pour lesquelles des demandes spéciales ont été reçues. Nul danger qu'aucune de ses terres soient vendues à sacrifice, vu qu'on a pris soin de mettre un prix d'enchère sur chaque lopin égal à la pleine valeur de la terre telle que fixée et déterminée après inspection de chaque lopin par un employé dûment qualifié du ministère de l'Intérieur, et une évaluation faite subséquemment par un évaluateur compétent.

En conséquence le ministre recommande qu'il soit autorisé à offrir en vente, à l'enchère publique, les terres des écoles comprises dans les listes qu'il a fait préparer en conformité des faits précités, et à un prix de départ placé vis-à-vis chaque lopin dans les dites listes, ce prix n'étant jamais moins que $5 l'acre, les ventes devant être tenues aux endroits et aux dates mentionnés dans ces listes, savoir :—

Le ministre recommande de plus que les dispositions contenues dans l'arrêté en conseil du 12 de décembre 1891, au sujet de la réserve de minéraux dans les terres des écoles offertes en vente en janvier et février 1892, soient aussi rendues applicables aux terres qu'il est maintenant proposé d'offrir en vente, savoir, que nonobstant les dispositions de la clause 8 des règlements pour la vente de terres fédérales autorisée par arrêté en conseil du 17 de septembre 1889, les terres des écoles à offrir aux ventes projetées de janvier et février prochains, ne soient pas assujéties à une réserve en faveur de la couronne des mines et minéraux qu'elles contiennent, sauf dans les cas où le directeur de la Commission de Géologie aurait fait rapport que ces terres contiennent problablement des minéraux et sont d'une valeur économique, dont note a été prise dans les listes.

Le comité soumet cette recommandation à l'approbation de Votre Excellence.

Il a plu à Son Excellence le Gouverneur général, en vertu de "l'Acte de la Milice," chapitre 41 des Statuts Revisés, et par et avec l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner ce qui suit :—

1. Le paragraphe 32 des Règlements et Ordonnances de la milice est annulé, et remplacé par ce qui suit :—

"32. L'effectif des régiments, batteries, troupes et compagnies de la milice permanente et active, sera déterminé par une liste de l'état de force régimentaire, laquelle liste sera soumise, annuellement, au parlement et publiée dans les Ordres Généraux de Milice."

2. Le paragraphe 81 est annulé et remplacé par ce qui suit :—

"81. Tous les officiers devront être en possession de certificats de qualification, conformément aux conditions de ces ordres et amendés de temps à autre par les Ordres Généraux de milice. Au cas contraire ces officiers ne pourront commander que provisoirement, ni être élevés à un plus haut grade que celui de 2nd lieutenant. Aucun officier provisoire ne peut être payé au-dessus du taux d'un 2nd lieutenant."

"81*a*. Quand deux officiers, ou plus, nommés provisoirement, seront dans la même troupe, batterie ou compagnie, la préséance pour le commandement sera d'après l'ordre d'ancienneté."

EXAMENS DES OFFICIERS DE LA MILICE ACTIVE, POUR DES COMMISSIONS DANS L'ARMÉE IMPÉRIALE.

L'ordre général (3) du 22 janvier, 1892, est amendé comme suit :—

Les demandes des candidats désirant subir les examens littéraires devront être envoyées par la voie ordinaire à l'adjudant-général, quartiers-généraux, Canada, afin qu'elles lui arrivent le ou avant le 1er janvier et 1er juillet, pour les examens d'avril et d'octobre, respectivement.

Les demandes des candidats qui ont passé l'examen littéraire et qui désirent être examinés sur des sujets militaires, devront être envoyées de la même manière, afin qu'elles soient reçues aux quartiers-généraux, le ou avant le 7 juin.

Les certificats requis par les règlements contenus dans l'"Army Order" du 1er janvier, 1892, doivent accompagner les demandes.

Des exemplaires des règlements ci-dessus et toute information relative à la manière de faire les demandes seront fournis par le deputé-adjudant général de chaque district militaire.

O. G. (4.)

BORDEREAUX DE PAYE, RETOUR DES RATIONS, COMBUSTIBLE ET LUMINAIRE DES CORPS PERMANENTS.

Aucun nom ne doit être inclus dans les bordereaux de paye, retour des rations, combustible et luminaire des corps permanents, autres que ceux des officiers, sous-officiers et soldats qui appartiennent à ces corps, ou qui y sont attachés, sur l'autorité nécessaire pour y recevoir l'instruction.

—

O. G. (5.)

PAYE DE COMMANDEMENT—COMMENT TOUCHÉE.

Les dates pour lesquelles la paye de commandement est retirée par les divers officiers qui y sont autorisés, doivent être mentionnées sur les bordereaux mensuels, à la droite des noms de ces officiers.

L'habitude de placer au crédit du commandant le montant total de la paye de commandement affectée d'après les ordonnances, durant le mois, dans le but d'un règlement subséquent avec les personnes devant en retirer une partie, est irrégulière et doit être discontinuée.

—

O. G. (6.)

RETRAITE.

Dans l'annonce publiée dans les Ordres Généraux 35, du 19 août, 1892, relativement au capitaine P. Lawler, il aurait dû être mentionné que cet officier a aussi servi dans l'Infanterie Légère de Winnipeg, en 1885.

Cette partie de l'Ordre Général 45, du 25 novembre, 1892, où il est fait mention que le nom du major T. R. Coogan, du 24me bataillon (licencié) est rayé de la liste des officiers de la milice active, est amendé en permettant à cet officier de se retirer gardant son grade.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

TREATY OF FRIENDSHIP, COMMERCE AND NAVIGATION BETWEEN GREAT BRITAIN AND MUSKAT.

Signed at Muskat, March 19, 1891.

Ratifications exchanged at Muskat, February 20, 1892.

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Highness the Seyyid Feysal-bin-Turki-bin-Saeed, Sultan of Muskat and Oman, being desirous to confirm and strengthen the friendly relations which now subsist between the two countries, and to promote and extend their commercial relations, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say :—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Colonel Edward Charles Ross, Companion of the Star of India, Her Britannic Majesty's Political Resident in the Persian Gulf;

And His Highness the Sultan of Muskat, in person ;

Who have agreed upon and concluded the following Articles :—

ARTICLE I.

The Treaty concluded between the British Government and Sultan Seyyid Saeed-bin-Sultan of Muskat and Oman, on the 31st May, 1839 (17 Rabia 1st, 1255), is hereby cancelled and declared void, and the present Treaty, when ratified, shall be substituted for it.

ARTICLE II.

Subjects of Her Britannic Majesty shall, for the purposes of this Treaty, include subjects of native States in India in alliance with Her Majesty. Such subjects shall enjoy, immediately and unconditionally, throughout the dominions of His Highness the Sultan of Muskat, with respect to commerce, shipping, and the exercise of trade, as in every other respect, all the rights, privileges, immunities, advantages, and protection of whatsoever nature, which are, or hereafter may be, enjoyed by, or accorded to, the subjects or citizens of the most favoured nation.

They shall more especially not be liable to other or more onerous duties, imposts, restrictions, or obligations of whatever description, than those to which subjects or citizens of the most favoured nation now are, or hereafter may be, subjected.

ARTICLE III.

The two High Contracting Parties acknowledge reciprocally to each other the right of appointing Consuls to reside in each other's dominions wherever the interests of commerce may require the presence of such officers ; and such Consuls shall at all times be placed, in the country in which they reside, on the footing of the Consuls of the most favoured nations. Each of the High Contracting Parties further agree to permit his own subjects to be appointed to Consular offices by the other Contracting Party, provided always that the persons so appointed shall not begin to act without the previous approbation of the Sovereign whose subjects they may be. The public functionaries of either Government residing in the dominions of the other, shall enjoy the same privileges, immunities, and exemptions which are enjoyed within the same dominions by similar public functionaries of other countries.

ARTICLE IV.

There shall be perfect freedom of commerce and navigation between the High Contracting Parties; each shall allow the subjects of the other to enter all ports, creeks, and rivers with their vessels and cargoes, also to travel, reside, pursue commerce and trade, whether wholesale or retail, in each other's dominions, and therein to hire, purchase, and possess houses, warehouses, shops, stores, and lands. British subjects shall everywhere be freely permitted, whether personally or by agent, to bargain for, buy, barter, and sell all kinds of goods, articles of import, or native production, whether intended for sale within the dominions of His Highness or for export, and to arrange with the owner or his agent regarding the price of all such goods and produce without interference of any sort on the part of the authorities of His Highness.

His Highness the Sultan of Muskat binds himself not to allow or recognize the establishment of any kind of monopoly or exclusive privilege of trade within his dominions to any Government, association, or individual.

ARTICLE V.

Subjects of Her Britannic Majesty shall be permitted, throughout the dominions of His Highness the Sultan, to acquire by gift, purchase, intestate succession, or under will, or any other legal manner, land, houses, and property of every description, whether movable or immovable, to possess the same; and freely to dispose thereof by sale, donation, or otherwise.

ARTICLE VI.

His Highness the Sultan shall be permitted to levy a duty of entry not exceeding 5 percent on the value of all goods and merchandize, of whatever description, imported by sea from foreign countries into His Highness' dominions. This duty shall be paid at that port in His Highness' dominions where the goods are first landed, and, on payment thereof, such goods shall thereafter be exempt, within the Sultan's dominions, from all other customs duties or taxes, levied by, or on behalf of the Government of His Highness the Sultan, by whatever names these may be designated, and no higher import duty shall be claimed from British subjects than that which is paid by subjects or citizens of the most favoured nation.

This duty, once paid, shall cover, from all other charges on the part of His Highness the Sultan, goods of whatever description coming from foreign countries by sea, whether these are intended for local consumption or for transmission elsewhere in bulk or otherwise, and whether they remain in the state in which they are imported or have been manufactured.

There shall, however, be exempted from payment of all duty the following, namely :—

1. All goods and merchandise which, being destined for a foreign port, are transhipped from one vessel to another in any of the ports of His Highness the Sultan of Muskat, or which have been for this purpose provisionally landed and deposited in any of the Sultan's custom-houses to await the arrival of a vessel in which to be reshipped aboard. But goods and merchandise so landed shall be exempted only, provided that the consignee or his agent shall have, on the arrival of the ship, handed over the said goods to be kept under Customs seal, and declared them as landed for transhipment, designating at the same time the foreign port of destination, and also provided that the said goods are actually shipped for the said foreign port as originally declared, within a period not exceeding six months after their first landing, and without having, in the interval, changed owners.

2. All goods and merchandise which, not being consigned to a port within the dominions of the Sultan, have been inadvertently landed, provided that such goods are reshipped within a month of being so landed and transported abroad. Should, however, such goods or merchandise, here spoken of, be opened or removed from the custody of the Customs authorities, the full duty shall then be payable on the same.

3. Coals, naval provisions, stores, and fittings, the property of Her Majesty's Government, landed in the dominions of His Highness for the use of the ships of Her Majesty's navy.

4. All goods and merchandise transhipped or landed for the repair of damage caused by stress of weather or other disaster at sea, provided the cargo so discharged shall be reshipped and taken away on board of the same vessel, or if the latter shall have been condemned, or her departure delayed, in any other manner.

ARTICLE VII.

No article whatever shall be prohibited from being imported into or exported from the territories of His Highness the Sultan of Muskat, and no export duties are to be levied on goods exported from those territories except with the consent of the Government of Her Britannic Majesty, such consent being subject to the conditions that may be laid down in the notifications intimating the same.

ARTICLE VIII.

It is agreed and understood by the High Contracting Parties that, in the event of an arrangement being entered into hereafter between His Highness and the Powers having Treaty relations with Muskat, and to which Great Britain shall be a consenting party, whereby vessels entering the port of Muskat shall be charged with shipping, tonnage, or harbour dues, such dues to be administered under the control of a special Board for the improvement of the harbour and construction and maintenance of lighthouses, &c.; nothing in the aforementioned provisions shall be construed so as to exempt British vessels from payment of such shipping, harbour or tonnage dues as may hereafter be agreed upon.

ARTICLE IX.

It shall be at the option of the British subject in each case to pay the percentage duties stipulated in Article VI, either in cash, or, if the nature of the goods allows of it, in kind, by giving up an equivalent amount of the goods or produce.

In the event of payment being made in cash, the value of the merchandise, goods, or produce on which duty is to be levied, shall be fixed according to the ready-money market price ruling at the time when the duty is levied. In the case of foreign imports, the value shall be fixed according to the market price at Muskat, and in that of native goods and produce by the market price at the place where the merchant shall choose to pay the duty.

In the event of any dispute arising between a British subject and the Custom-house authorities regarding the value of such goods, this shall be determined by reference to two experts, each party nominating one, and the value so ascertained shall be decisive. Should, however, these experts not be able to agree, they shall choose an umpire, whose decision is to be considered final.

ARTICLE X.

His Highness the Sultan of Muskat engages by the present Treaty to provide and give orders to his officials that the movement of goods in transit shall not be obstructed or delayed in a vexatious manner by unnecessary Custom formalities and Regulations, and that every facility will be given for their transport.

ARTICLE XI.

British vessels entering a port in the dominions of His Highness the Sultan of Muskat, in distress, shall receive from the local authorities all necessary aid to enable them to revictual and refit so as to proceed on their voyage,

Should a British vessel be wrecked off the coast of His Highness' dominions the authorities of His Highness shall render all assistance in their power to the distressed vessel, in order to save the ship, her cargo, and those on board; they shall also give aid and protection to persons saved, and shall assist them in reaching the nearest British Consulate; they shall further take every possible care that the goods so recovered are safely stored, and kept for the purpose of being handed over to the owner, captain, agent of the ship, or British Consul, subject always to rights of salvage.

His Highness' authorities shall further see that the British Consulate is at once informed of such disaster having occurred.

Should a British vessel wrecked on the coast of His Highness' dominions, be plundered, the authorities of His Highness shall, as soon as they come to know thereof, render prompt assistance and take measures to pursue and punish the robbers, and recover the stolen property. Likewise, should a vessel of His Highness the Sultan of Muskat, or of one of his subjects, enter a British port in distress, or be wrecked off the coast of Her Majesty's dominions, the like help and assistance shall be rendered by the British authorities.

ARTICLE XII.

Should sailors or others belonging to a British ship of war or merchant-vessel, desert and take refuge on shore or on board of any of His Highness' ships, the authorities of His Highness the Sultan of Muskat shall, upon request of a Consular official, or, in his absence, of the captain of the ship, take the necessary steps in order to have them arrested and delivered over to the Consular official or to the captain.

In this, however, the Consular officer and captain shall render every assistance.

ARTICLE XIII.

Subjects of Her Britannic Majesty shall, as regards their person and property, enjoy within the dominions of His Highness the Sultan of Muskat the rights of exterritoriality.

The authorities of His Highness the Sultan have no right to interfere in disputes with subjects of Her Britannic Majesty amongst themselves, or between them and members of other Christian nations; such questions, whether of a civil or criminal nature, shall be decided by the competent Consular authorities. The trial and also the punishment of all offences and crimes of which British subjects may be accused within the dominions of His Highness the Sultan, also the hearing and settlement of all civil questions, claims, or disputes in which they are the defendants, is expressly reserved to the British Consular authorities and Courts, and removed from the jurisdiction of His Highness the Sultan.

Should disputes arise between subjects of His Highness the Sultan or other non-Christian Power, not represented by Consuls at Muskat, and a subject of Her Britannic Majesty, in which the British subject is the plaintiff or complainant, the matter shall be brought before and decided by the highest authority of the Sultan, or some person specially delegated by him for this purpose. The proceedings and final decision in such a case shall not, however, be considered legal unless notice has been given and an opportunity afforded for the British Consul or his substitute to attend at the hearing and final decision.

ARTICLE XIV.

Subjects of His Highness the Sultan, or any non-Christian nation, not represented by Consuls at Muskat, who are in the regular service of British subjects within the dominions of His Highness the Sultan of Muskat, shall enjoy the same protection as British subjects themselves.

Should they be charged with having committed a crime or serious offence punishable by law, they shall, on sufficient evidence being shown to justify further proceedings, be handed over by British employers, or by order of the British Consul, to the authorities of His Highness the Sultan for trial and punishment.

ARTICLE XV.

Should a subject of Her Majesty residing in the dominions of His Highness the Sultan of Muskat be adjudicated bankrupt, the British Consul shall take possession of, recover, and realize all available property and assets of such bankrupt, to be dealt with and distributed according to the provisions of English Bankruptcy Law.

ARTICLE XVI.

Should a subject of His Highness the Sultan of Muskat resist or evade payment of the just and rightful claims of a British subject, the authorities of His Highness the Sultan shall afford to the British creditor every aid and facility in recovering the amount due to him. In like manner the British Consul shall afford every aid and facility to subjects of His Highness the Sultan of Muskat, in recovering debts justly due to them from a British subject.

ARTICLE XVII.

Should a British subject die within the dominions of His Highness the Sultan of Muskat, or dying elsewhere leave property therein, movable or immovable, the British Consul shall be authorized to collect, realize, and take possession of the estate of the deceased, to be disposed of according to the provisions of English law.

ARTICLE XVIII.

The houses, dwellings, warehouses, and other premises of British subjects, or of persons actually in their regular service within the dominions of His Highness the Sultan of Muskat, shall not be entered, or searched under any pretext, by the officials of His Highness without the consent of the occupier, unless with the cognizance and assistance of the British Consul or his substitute.

ARTICLE XIX.

It is hereby agreed between the two High Contracting Parties that, in the event of an agreement being hereafter arrived at between His Highness the Sultan of Muskat and the various Powers with which His Highness shall be in Treaty relations, including Great Britain, which must be a consenting party, whereby the residents of a district or town shall, without distinction of nationality, be made subject to the payment of local taxes, for municipal and sanitary purposes, the same to be fixed and administered by or under the control of a special Board, nothing contained in this Treaty shall be understood so as to exempt British residents from the payment of such taxes.

ARTICLE XX.

Subjects of the two High Contracting Parties, shall, within the dominions of each other, enjoy freedom of conscience and religious toleration, the free and public exercise of all forms of religion, and the right to build edifices for religious worship.

ARTICLE XXI.

ARTICLE XXII.

The present Treaty has been executed in quadruplicate, two copies being written in English and two in Arabic. These are understood to be of similar import and signification; in the event, however, of doubt hereafter arising as to the proper interpretation of the English or Arabic text of one or other of the Treaty stipulations, the English text shall be considered decisive. The Treaty shall come into operation within one month after the date when the ratification may take place.

ORDERS IN COUNCIL.

[3388]

Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th of January, 1893.

On a Report, dated 31st December, 1892, from the Minister of the Interior, submitting the following with respect to the proposed sales of school lands,—

After a careful consideration of the long standing question of the illegal occupation and cultivation of school lands in Manitoba, it was decided that except in certain special cases which the Minister of the Interior proposes to submit for special consideration by Your Excellency in Council, the only way of protecting the interests of the School Endowment and of preventing at the same time any apparent hardships to those squatters who in good faith and ignorance of the law had settled upon these lands, would be to offer at public auction at an early date all those quarter-sections of school lands which, to the knowledge of the Department of the Interior, were illegally occupied, thus affording the squatters an opportunity of acquiring the land, and after the sales to take legal proceedings against all those who failed to avail themselves of this chance of acquiring the land, and yet persisted in their illegal occupation or cultivation of the same.

It was also proposed to take advantage of this sale to offer at the same time those school lands for which applications had been made, and which had been inspected, provided that no lands should be offered at less than $5.00 per acre.

The Minister observes that before taking any further steps in the matter the Commissioner of Dominion Lands, in accordance with instructions from him (the Minister) consulted M. Greenway, the Premier of the Province, as to the views of his Government with respect to the proposed sale, and is informed that Mr. Greenway concurred as to the desirability of offering for sale the lands squatted on, but expressed himself as being doubtful as to the expediency of including this season any of the other school lands in such sale, unless there be a demand for them. It is, therefore, only proposed to offer, in addition to the lands illegally occupied or cultivated, those lands for which special applications have been received. There is no danger of any of those lands being sold at a sacrifice, as care has been taken to place an upset price upon each parcel equal to the full value of the land, as determined and made after inspection of each parcel by a specially qualified officer of the Department of the Interior, and a subsequent independent valuation made by a competent appraiser.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction the school lands comprised in lists prepared by his authority in accordance with the facts hereinbefore recited, and at an upset price set opposite each parcel in the said lists, being in no case less than $5.00 per acre, the sales to be held at the places and on the dates mentioned in such lists, that is to say :—

At Morden,	25th January, 1893.
At Pilot Mound,	27th January, 1893.
At Deloraine,	30th January, 1893.
At Glenboro',	2nd February, 1893.
At Minnedosa,	8th February, 1893.
At Portage la Prairie,	11th February, 1893.
At Brandon,	14th February, 1893.
At Winnipeg,	16th February, 1893.

The Minister further recommends that the provision contained in the Order in Council of the 12th of December, 1891, with respect to the reservation of the minerals in the school lands offered for sale in January and February, 1892, be also made applicable to the lands which it is now proposed to offer for sale, that is to say, that notwithstanding the provisions of clause 8 of the Regulations for the disposal of Dominion Lands authorized by Order in Council of the 17th of September, 1889, the school lands to be offered at the proposed sales in January and February next, be not subject to a reservation to the Crown of the mines and minerals therein, except in cases where the Director of the Geological Survey has reported the lands as likely to contain minerals and of economic value, due note of which has been made in the lists.

The Committee submit the same for Your Excellency's approval.

Clerk of the Privy Council.

ARRÊTÉ EN CONSEIL.

Rapport d'un comité de l'honorable Conseil privé, approuvé par Son Excellence le Gouverneur général en conseil, le 6 de janvier 1893.

Vu un rapport daté le 31 de décembre 1892, du ministre de l'Intérieur, soumettant ce qui suit au sujet des ventes projetées de terres des écoles,—

Après un sérieux examen de la question longtemps débattue de l'occupation et cultivation illégales de terres des écoles dans le Manitoba, il a été décidé que, sauf dans certains cas spéciaux que le ministre de l'Intérieur propose de soumettre à la considération spéciale de Votre Excellence en conseil, le seul moyen de protéger les intérêts du Fonds des Ecoles, et en même temps empêcher tout préjudice apparent à ceux des *squatters* qui de bonne foi et en ignorance de la loi se sont établis sur ces terres, serait d'offrir à l'enchère publique, à une date rapprochée, tous ces quarts de sections de terres des écoles qui, à la connaissance du ministère de l'Intérieur, sont illégalement occupées, donnant ainsi aux *squatters* une occasion d'acquérir la terre, et après la vente, d'intenter des poursuites contre tous ceux qui auront manqué de se prévaloir de cette chance d'acquérir la terre, et persistent quand même dans leur occupation et cultivation illégales.

Il a aussi été proposé de prendre avantage de cette vente pour offrir en même temps celles des terres des écoles pour lesquelles des demandes ont été faites et qui ont été inspectées, pourvu que nulles terres soient offertes à moins de $5 l'acre.

Le ministre remarque qu'avant de prendre des mesures dans la matière, le commissaire des terres fédérales, en conformité d'instructions venues de lui (le ministre), consulta M. Greenway, le premier ministre de la province, sur les vues de son gouvernement au sujet de la vente projetée, et est informé que M. Greenvay reconnaissait l'avantage d'offrir en vente les terres occupées par des squatters, mais avait des doutes quant à l'à-propos d'inclure cette saison, dans telle vente, aucune des autres terres des écoles, à moins qu'elles ne fussent déjà demandées. En conséquence, on ne se propose d'offrir, en sus des terres illégalement occupées ou cultivées, que les terres pour lesquelles des demandes spéciales ont été reçues. Nul danger qu'aucune de ses terres soient vendues à sacrifice, vu qu'on a pris soin de mettre un prix d'enchère sur chaque lopin égal à la pleine valeur de la terre telle que fixée et déterminée après inspection de chaque lopin par un employé dûment qualifié du ministère de l'Intérieur, et une évaluation faite subséquemment par un évaluateur compétent.

En conséquence le ministre recommande qu'il soit autorisé à offrir en vente, à l'enchère publique, les terres des écoles comprises dans les listes qu'il a fait préparer en conformité des faits précités, et à un prix de départ placé vis-à-vis chaque lopin dans les dites listes, ce prix n'étant jamais moins que $5 l'acre, les ventes devant être tenues aux endroits et aux dates mentionnés dans ces listes, savoir :—

A Morden,	25 janvier 1893.
A Pilot Mound,	27 janvier 1893.
A Deloraine,	30 janvier 1893.
A Glenboro'	2 février 1893.
A Minnedosa,	8 février 1893.
A Portage la Prairie,	11 février 1893.
A Brandon,	14 février 1893.
A Winnipeg,	16 février 1893.

Le ministre recommande de plus que les dispositions contenues dans l'arrêté en conseil du 12 de décembre 1891, au sujet de la réserve de minéraux dans les terres des écoles offertes en vente en janvier et février 1892, soient aussi rendues applicables aux terres qu'il est maintenant proposé d'offrir en vente, savoir, que nonobstant les dispositions de la clause 8 des règlements pour la vente de terres fédérales autorisée par arrêté en conseil du 17 de septembre 1889, les terres des écoles à offrir aux ventes projetées de janvier et février prochains, ne soient pas assujéties à une réserve en faveur de la couronne des mines et minéraux qu'elles contiennent, sauf dans les cas où le directeur de la Commission de Géologie aurait fait rapport que ces terres contiennent problablement des minéraux et sont d'une valeur économique, dont note a été prise dans les listes.

Le comité soumet cette recommandation à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

TREATY OF FRIENDSHIP, COMMERCE AND NAVIGATION BETWEEN GREAT BRITAIN AND MUSKAT.

Signed at Muskat, March 19, 1891.

Ratifications exchanged at Muskat, February 20, 1892.

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Highness the Seyyid Feysal-bin-Turki-bin-Saeed, Sultan of Muskat and Oman, being desirous to confirm and strengthen the friendly relations which now subsist between the two countries, and to promote and extend their commercial relations, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say :—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Colonel Edward Charles Ross, Companion of the Star of India, Her Britannic Majesty's Political Resident in the Persian Gulf;

And His Highness the Sultan of Muskat, in person;

Who have agreed upon and concluded the following Articles :—

ARTICLE I.

The Treaty concluded between the British Government and Sultan Seyyid Saeed-bin-Sultan of Muskat and Oman, on the 31st May, 1839 (17 Rabia 1st, 1255), is hereby cancelled and declared void, and the present Treaty, when ratified, shall be substituted for it.

ARTICLE II.

Subjects of Her Britannic Majesty shall, for the purposes of this Treaty, include subjects of native States in India in alliance with Her Majesty. Such subjects shall enjoy, immediately and unconditionally, throughout the dominions of His Highness the Sultan of Muskat, with respect to commerce, shipping, and the exercise of trade, as in every other respect, all the rights, privileges, immunities, advantages, and protection of whatsoever nature, which are, or hereafter may be, enjoyed by, or accorded to, the subjects or citizens of the most favoured nation.

They shall more especially not be liable to other or more onerous duties, imposts, restrictions, or obligations of whatever description, than those to which subjects or citizens of the most favoured nation now are, or hereafter may be, subjected.

ARTICLE III.

The two High Contracting Parties acknowledge reciprocally to each other the right of appointing Consuls to reside in each other's dominions wherever the interests of commerce may require the presence of such officers; and such Consuls shall at all times be placed, in the country in which they reside, on the footing of the Consuls of the most favoured nations. Each of the High Contracting Parties further agree to permit his own subjects to be appointed to Consular offices by the other Contracting Party, provided always that the persons so appointed shall not begin to act without the previous approbation of the Sovereign whose subjects they may be. The public functionaries of either Government residing in the dominions of the other, shall enjoy the same privileges, immunities, and exemptions which are enjoyed within the same dominions by similar public functionaries of other countries.

ARTICLE IV.

There shall be perfect freedom of commerce and navigation between the High Contracting Parties; each shall allow the subjects of the other to enter all ports, creeks, and rivers with their vessels and cargoes, also to travel, reside, pursue commerce and trade, whether wholesale or retail, in each other's dominions, and therein to hire, purchase, and possess houses, warehouses, shops, stores, and lands. British subjects shall everywhere be freely permitted, whether personally or by agent, to bargain for, buy, barter, and sell all kinds of goods, articles of import, or native production, whether intended for sale within the dominions of His Highness or for export, and to arrange with the owner or his agent regarding the price of all such goods and produce without interference of any sort on the part of the authorities of His Highness.

His Highness the Sultan of Muskat binds himself not to allow or recognize the establishment of any kind of monopoly or exclusive privilege of trade within his dominions to any Government, association, or individual.

ARTICLE V.

Subjects of Her Britannic Majesty shall be permitted, throughout the dominions of His Highness the Sultan, to acquire by gift, purchase, intestate succession, or under will, or any other legal manner, land, houses, and property of every description, whether movable or immovable, to possess the same; and freely to dispose thereof by sale, donation, or otherwise.

ARTICLE VI.

His Highness the Sultan shall be permitted to levy a duty of entry not exceeding 5 per cent on the value of all goods and merchandise, of whatever description, imported by sea from foreign countries into His Highness' dominions. This duty shall be paid at that port in His Highness' dominions where the goods are first landed, and, on payment thereof, such goods shall thereafter be exempt, within the Sultan's dominions, from all other customs duties or taxes, levied by, or on behalf of the Government of His Highness the Sultan, by whatever names these may be designated, and no higher import duty shall be claimed from British subjects than that which is paid by subjects or citizens of the most favoured nation.

This duty, once paid, shall cover, from all other charges on the part of His Highness the Sultan, goods of whatever description coming from foreign countries by sea, whether these are intended for local consumption or for transmission elsewhere in bulk or otherwise, and whether they remain in the state in which they are imported or have been manufactured.

There shall, however, be exempted from payment of all duty the following, namely :—

1. All goods and merchandise which, being destined for a foreign port, are transhipped from one vessel to another in any of the ports of His Highness the Sultan of Muskat, or which have been for this purpose provisionally landed and deposited in any of the Sultan's custom-houses to await the arrival of a vessel in which to be reshipped aboard. But goods and merchandise so landed shall be exempted only, provided that the consignee or his agent shall have, on the arrival of the ship, handed over the said goods to be kept under Customs seal, and declared them as landed for transhipment, designating at the same time the foreign port of destination, and also provided that the said goods are actually shipped for the said foreign port as originally declared, within a period not exceeding six months after their first landing, and without having, in the interval, changed owners.

2. All goods and merchandise which, not being consigned to a port within the dominions of the Sultan, have been inadvertently landed, provided that such goods are reshipped within a month of being so landed and transported abroad. Should, however, such goods or merchandise, here spoken of, be opened or removed from the custody of the Customs authorities, the full duty shall then be payable on the same.

3. Coals, naval provisions, stores, and fittings, the property of Her Majesty's Government, landed in the dominions of His Highness for the use of the ships of Her Majesty's navy.

4. All goods and merchandise transhipped or landed for the repair of damage caused by stress of weather or other disaster at sea, provided the cargo so discharged shall be reshipped and taken away on board of the same vessel, or if the latter shall have been condemned, or her departure delayed, in any other manner.

ARTICLE VII.

No article whatever shall be prohibited from being imported into or exported from the territories of His Highness the Sultan of Muskat, and no export duties are to be levied on goods exported from those territories except with the consent of the Government of Her Britannic Majesty, such consent being subject to the conditions that may be laid down in the notifications intimating the same.

ARTICLE VIII.

It is agreed and understood by the High Contracting Parties that, in the event of an arrangement being entered into hereafter between His Highness and the Powers having Treaty relations with Muskat, and to which Great Britain shall be a consenting party, whereby vessels entering the port of Muskat shall be charged with shipping, tonnage, or harbour dues, such dues to be administered under the control of a special Board for the improvement of the harbour and construction and maintenance of lighthouses, &c. ; nothing in the aforementioned provisions shall be construed so as to exempt British vessels from payment of such shipping, harbour or tonnage dues as may hereafter be agreed upon.

ARTICLE IX.

It shall be at the option of the British subject in each case to pay the percentage duties stipulated in Article VI, either in cash, or, if the nature of the goods allows of it, in kind, by giving up an equivalent amount of the goods or produce.

In the event of payment being made in cash, the value of the merchandise, goods, or produce on which duty is to be levied. shall be fixed according to the ready-money market price ruling at the time when the duty is levied. In the case of foreign imports, the value shall be fixed according to the market price at Muskat, and in that of native goods and produce by the market price at the place where the merchant shall choose to pay the duty.

In the event of any dispute arising between a British subject and the Custom-house authorities regarding the value of such goods, this shall be determined by reference to two experts, each party nominating one, and the value so ascertained shall be decisive. Should, however, these experts not be able to agree, they shall choose an umpire, whose decision is to be considered final.

ARTICLE X.

His Highness the Sultan of Muskat engages by the present Treaty to provide and give orders to his officials that the movement of goods in transit shall not be obstructed or delayed in a vexatious manner by unnecessary Custom formalities and Regulations, and that every facility will be given for their transport.

ARTICLE XI.

British vessels entering a port in the dominions of His Highness the Sultan of Muskat, in distress, shall receive from the local authorities all necessary aid to enable them to revictual and refit so as to proceed on their voyage,

Should a British vessel be wrecked off the coast of His Highness' dominions the authorities of His Highness shall render all assistance in their power to the distressed vessel, in order to save the ship, her cargo, and those on board ; they shall also give aid and protection to persons saved, and shall assist them in reaching the nearest British Consulate ; they shall further take every possible care that the goods so recovered are safely stored, and kept for the purpose of being handed over to the owner, captain, agent of the ship, or British Consul, subject always to rights of salvage.

His Highness' authorities shall further see that the British Consulate is at once informed of such disaster having occurred.

Should a British vessel wrecked on the coast of His Highness' dominions, be plundered, the authorities of His Highness shall, as soon as they come to know thereof, render prompt assistance and take measures to pursue and punish the robbers, and recover the stolen property. Likewise, should a vessel of His Highness the Sultan of Muskat, or of one of his subjects, enter a British port in distress, or be wrecked off the coast of Her Majesty's dominions, the like help and assistance shall be rendered by the British authorities.

ARTICLE XII.

Should sailors or others belonging to a British ship of war or merchant-vessel, desert and take refuge on shore or on board of any of His Highness' ships, the authorities of His Highness the Sultan of Muskat shall, upon request of a Consular official, or, in his absence, of the captain of the ship, take the necessary steps in order to have them arrested and delivered over to the Consular official or to the captain.

In this, however, the Consular officer and captain shall render every assistance.

ARTICLE XIII.

Subjects of Her Britannic Majesty shall, as regards their person and property, enjoy within the dominions of His Highness the Sultan of Muskat the rights of exterritoriality.

The authorities of His Highness the Sultan have no right to interfere in disputes with subjects of Her Britannic Majesty amongst themselves, or between them and members of other Christian nations ; such questions, whether of a civil or criminal nature, shall be decided by the competent Consular authorities. The trial and also the punishment of all offences and crimes of which British subjects may be accused within the dominions of His Highness the Sultan, also the hearing and settlement of all civil questions, claims, or disputes in which they are the defendants, is expressly reserved to the British Consular authorities and Courts, and removed from the jurisdiction of His Highness the Sultan.

Should disputes arise between subjects of His Highness the Sultan or other non-Christian Power, not represented by Consuls at Muskat, and a subject of Her Britannic Majesty, in which the British subject is the plaintiff or complainant, the matter shall be brought before and decided by the highest authority of the Sultan, or some person specially delegated by him for this purpose. The proceedings and final decision in such a case shall not, however, be considered legal unless notice has been given and an opportunity afforded for the British Consul or his substitute to attend at the hearing and final decision.

ARTICLE XIV.

Subjects of His Highness the Sultan, or any non-Christian nation, not represented by Consuls at Muskat, who are in the regular service of British subjects within the dominions of His Highness the Sultan of Muskat, shall enjoy the same protection as British subjects themselves.

Should they be charged with having committed a crime or serious offence punishable by law, they shall, on sufficient evidence being shown to justify further proceedings, be handed over by British employers, or by order of the British Consul, to the authorities of His Highness the Sultan for trial and punishment.

ARTICLE XV.

Should a subject of Her Majesty residing in the dominions of His Highness the Sultan of Muskat be adjudicated bankrupt, the British Consul shall take possession of, recover, and realize all available property and assets of such bankrupt, to be dealt with and distributed according to the provisions of English Bankruptcy Law.

ARTICLE XVI.

Should a subject of His Highness the Sultan of Muskat resist or evade payment of the just and rightful claims of a British subject, the authorities of His Highness the Sultan shall afford to the British creditor every aid and facility in recovering the amount due to him. In like manner the British Consul shall afford every aid and facility to subjects of His Highness the Sultan of Muskat, in recovering debts justly due to them from a British subject.

ARTICLE XVII.

Should a British subject die within the dominions of His Highness the Sultan of Muskat, or dying elsewhere leave property therein, movable or immovable, the British Consul shall be authorized to collect, realize, and take possession of the estate of the deceased, to be disposed of according to the provisions of English law.

ARTICLE XVIII.

The houses, dwellings, warehouses, and other premises of British subjects, or of persons actually in their regular service within the dominions of His Highness the Sultan of Muskat, shall not be entered, or searched under any pretext, by the officials of His Highness without the consent of the occupier, unless with the cognizance and assistance of the British Consul or his substitute.

ARTICLE XIX.

It is hereby agreed between the two High Contracting Parties that, in the event of an agreement being hereafter arrived at between His Highness the Sultan of Muskat and the various Powers with which His Highness shall be in Treaty relations, including Great Britain, which must be a consenting party, whereby the residents of a district or town shall, without distinction of nationality, be made subject to the payment of local taxes, for municipal and sanitary purposes, the same to be fixed and administered by or under the control of a special Board, nothing contained in this Treaty shall be understood so as to exempt British residents from the payment of such taxes.

ARTICLE XX.

Subjects of the two High Contracting Parties, shall, within the dominions of each other, enjoy freedom of conscience and religious toleration, the free and public exercise of all forms of religion, and the right to build edifices for religious worship.

ARTICLE XXI.

The stipulations of the present Treaty shall be applicable to all the colonies and foreign possessions of Her Britannic Majesty so far as the laws permit, excepting to those hereinafter named, that is to say, except to—

ARTICLE XXII.

The present Treaty has been executed in quadruplicate, two copies being written in English and two in Arabic. These are understood to be of similar import and signification; in the event, however, of doubt hereafter arising as to the proper interpretation of the English or Arabic text of one or other of the Treaty stipulations, the English text shall be considered decisive. The Treaty shall come into operation within one month after the date when the ratification may take place.

ARTICLE XXIII.

After the lapse of twelve years from the date on which this Treaty shall come into force, and on twelve months' notice given by either party, this Treaty shall be subject to revision by Plenipotentiaries appointed on both sides for this purpose, who shall be empowered to decide on and adopt such amendments as experience shall prove to be desirable.

Clerk of the Privy Council.

[3388]

Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th of January, 1893.

ON a Report, dated 31st December, 1892, from the Minister of the Interior, submitting the following with respect to the proposed sales of school lands,—

After a careful consideration of the long standing question of the illegal occupation and cultivation of school lands in Manitoba, it was decided that except in certain special cases which the Minister of the Interior proposes to submit for special consideration by Your Excellency in Council, the only way of protecting the interests of the School Endowment and of preventing at the same time any apparent hardships to those squatters who in good faith and ignorance of the law had settled upon these lands, would be to offer at public auction at an early date all those quarter-sections of school lands which, to the knowledge of the Department of the Interior, were illegally occupied, thus affording the squatters an opportunity of acquiring the land, and after the sales to take legal proceedings against all those who failed to avail themselves of this chance of acquiring the land, and yet persisted in their illegal occupation or cultivation of the same.

It was also proposed to take advantage of this sale to offer at the same time those school lands for which applications had been made, and which had been inspected, provided that no lands should be offered at less than $5.00 per acre.

The Minister observes that before taking any further steps in the matter the Commissioner of Dominion Lands, in accordance with instructions from him (the Minister) consulted M. Greenway, the Premier of the Province, as to the views of his Government with respect to the proposed sale, and is informed that Mr. Greenway concurred as to the desirability of offering for sale the lands squatted on, but expressed himself as being doubtful as to the expediency of including this season any of the other school lands in such sale, unless there be a demand for them. It is, therefore, only proposed to offer, in addition to the lands illegally occupied or cultivated, those lands for which special applications have been received. There is no danger of any of those lands being sold at a sacrifice, as care has been taken to place an upset price upon each parcel equal to the full value of the land, as determined and made after inspection of each parcel by a specially qualified officer of the Department of the Interior, and a subsequent independent valuation made by a competent appraiser.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction the school lands comprised in lists prepared by his authority in accordance with the facts hereinbefore recited, and at an upset price set opposite each parcel in the said lists, being in no case less than $5.00 per acre, the sales to be held at the places and on the dates mentioned in such lists, that is to say:—

At Morden,	25th January, 1893.
At Pilot Mound,	27th January, 1893.
At Deloraine,	30th January, 1893.
At Glenboro',	2nd February, 1893.
At Minnedosa,	8th February, 1893.
At Portage la Prairie,	11th February, 1893.
At Brandon,	14th February, 1893.
At Winnipeg,	16th February, 1893.

The Minister further recommends that the provision contained in the Order in Council of the 12th of December, 1891, with respect to the reservation of the minerals in the school lands offered for sale in January and February, 1892, be also made applicable to the lands which it is now proposed to offer for sale, that is to say, that notwithstanding the provisions of clause 8 of the Regulations for the disposal of Dominion Lands authorized by Order in Council of the 17th of September, 1889, the school lands to be offered at the proposed sales in January and February next, be not subject to a reservation to the Crown of the mines and minerals therein, except in cases where the Director of the Geological Survey has reported the lands as likely to contain minerals and of economic value, due note of which has been made in the lists.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Circulaire (1).

Milord,—J'ai l'honneur de vous transmettre, pour qu'elle soit publiée dans la colonie que vous administrez, une copie d'un traité d'amitié, de commerce et de navigation conclu entre la Grande-Bretagne et Mascate, signé à Mascate le 19e jour de mars 1891, dont les ratifications ont été échangées à Mascate le 20e jour de février dernier.

Je dois attirer votre attention sur l'article XXI du traité d'où vous observerez que si l'on désire que la colonie que vous administrez tombe sous l'opération du traité, un avis à cet effet doit être donné à Son Altesse le Sultan de Mascate sous deux ans à compter du 20 février 1892, date de l'échange des ratifications.

Donc j'ai à vous prier de bien vouloir m'informer aussi tôt que possible, des désirs de votre gouvernement dans l'affaire.

J'ai l'honneur d'être,
Milord,
Votre très humble serviteur,
KNUTSFORD.

A l'administrateur
du gouvernement du Canada.

TRAITÉ D'AMITIÉ, DE COMMERCE ET DE NAVIGATION ENTRE LA GRANDE-BRETAGNE ET MASCATE.

Signé à Mascate, 19 mars 1891.

Ratifications échangées à Mascate, 20 février 1892.

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Son Altesse le Seyyid Feysal-bin-Turki-bin-Saeed, Sultan de Mascate et Omân, animés du désir de confirmer et resserrer les relations amicales qui subsistent aujourd'hui entre les deux pays, et promouvoir et développer leurs relations commerciales, ont nommé comme leurs plénipotentiaires pour conclure un traité à cette fin, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde : le colonel Edward Charles Ross, compagnon de l'Etoile de l'Inde, résident politique de Sa Majesté Britannique dans le Golfe Persique ;

Et Son Altesse le Sultan de Mascate, en personne ;

Lesquels sont convenus des articles suivants :—

ARTICLE I.

Le traité conclu entre le gouvernement britannique et le Sultan Seyyid Saeed-bin, Sultan de Mascate et Omân, le 31e jour de mai 1839 (17 Rabia 1er, 1255), est par le présent cancellé et déclaré nul, et le traité actuel une fois ratifié, lui sera substitué.

ARTICLE II.

Les sujets de Sa Majesté britannique comprendront, pour les fins du présent traité, les sujets des Etats indigènes dans l'Inde alliés à Sa Majesté. Ces sujets jouiront, immédiatement et sans conditions, par toutes les possessions de Son Altesse le Sultan de Mascate, au sujet du commerce, de la navigation et du trafic, comme sous tous autres rapports, de tous les droits, privilèges, immunités, avantages, et protection d'une nature quelconque, dont jouissent ou pourront à l'avenir jouir les sujets ou citoyens de la nation la plus favorisée.

Et surtout ils ne seront pas assujétis à d'autres droits, impôts, restrictions ou obligations d'une nature quelconque, plus onéreux que ceux auxquels sont aujourd'hui soumis ou seront à l'avenir soumis les sujets ou citoyens de la nation la plus favorisée.

ARTICLE III.

Les deux hautes parties contractantes se reconnaissent réciproquement le droit de nommer des consuls qui résideront dans les possessions de l'une ou de l'autre partout où les intérêts du commerce nécessiteront la présence de tels officiers ; et ces consuls seront en tout temps placés, dans le pays où ils résident, sur le même pied que les consuls des nations les plus favorisées. Chacune des hautes parties contractantes conviennent de plus de laisser nommer ses propres sujets à des charges consulaires par l'autre partie contractante, pourvu toujours que les personnes ainsi nommées ne commenceront leurs fonctions qu'avec l'approbation du souverain dont elles sont les sujets. Les fonctionnaires publics de chaque gouvernement résidant dans les possessions de l'autre, jouiront des mêmes privilèges, immunités et exemptions dont jouissent dans ces mêmes possessions de semblables fonctionnaires publics d'autres pays.

ARTICLE IV.

Il y aura parfaite liberté de commerce et de navigation entre les hautes parties contractantes; chacune permettra aux sujets de l'autre d'entrer dans tous les ports, criques et rivières avec leurs vaisseaux et cargaisons, aussi de voyager, résider, commercer et trafiquer en gros et en détail dans les possessions de l'une ou de l'autre, et d'y louer, acheter et posséder des maisons, entrepôts, boutiques, magasins et terrains. Les sujets britanniques seront libres partout, soit en personne ou par agent, de marchander, acheter, troquer et vendre toutes sortes de marchandises, articles d'importation, ou produits indigènes, soit dans l'intention de les vendre dans les possessions de Son Altesse ou de les exporter, et de convenir avec le propriétaire ou son agent du prix de toutes ses marchandises et produits sans aucune intervention que ce soit de la part des autorités de Son Altesse.

Son Altesse le Sultan de Mascate s'oblige de ne pas permettre ou reconnaître à aucun gouvernement, association ou individu, l'établissement d'aucune sorte de monopole ou le privilège exclusif de commerce dans ses domaines.

ARTICLE V.

Il sera permis aux sujets de Sa Majesté britannique par tous les domaines de Son Altesse le Sultan, d'acquérir par don, achat, succession intestate, ou par testament, ou de toute autre manière légale, des terrains, maisons, et propriété de toute espèce, soit meuble ou immeuble, de les posséder et d'en disposer librement par vente, don ou autrement.

ARTICLE VI.

Il sera permis à Son Altesse le Sultan de prélever un droit d'entrée n'excédant pas 5 pour cent sur la valeur de tous effets et marchandises, d'une nature quelconque, importés par voie de mer de pays étrangers dans les domaines de Son Altesse. Ce droit sera payé au port dans les domaines de Son Altesse où les effets sont d'abord débarqués, et sur paiement de ce droit, ces effets seront dès lors exemptés, dans les domaines de Son Altesse, de tous autres impôts douaniers ou taxes, prélevés par ou au nom du gouvernement de Son Altesse le Sultan, sous quelque designation que ce soit, et il ne sera pas exigé des sujets britanniques de droit d'importation plus élevé que celui payé par les sujets ou citoyens de la nation la plus favorisée.

Ce droit, une fois payé, exemptera de toutes autres charges de la part de Son Altesse le Sultan, les effets de toute nature venant de pays étrangers par voie de mer, que ces effets soient destinés à la consommation locale ou à être transportés ailleurs en vrac ou autrement, et soit qu'ils restent dans la condition où ils étaient lors de leur importation, soit qu'ils aient été manufacturés

Toutefois, les articles ci-dessous énumérés seront exemptés du paiement de tout droit :—

1. Les effets et marchandises qui étant destinés à un port étranger, sont transbordés d'un vaisseau à un autre dans aucun des ports de Son Altesse le Sultan de Mascate, ou qui ont été dans ce but débarqués provisoirement et déposés dans une des douanes du Sultan pour attendre l'arrivée d'un vaisseau dans lequel il seront rembarqués. Mais les effets et marchandises ainsi débarqués seront exemptés seulement à la condition que le consignataire ou son agent ait, à l'arrivée du navire délivré les dits effets pour être gardés sous le scel des douanes, et ait déclaré les avoir débarqués dans l'intention de les transborder, désignant en même temps le port de destination étranger, et à la condition aussi que les dits effets soient réellement embarqués pour le dit port étranger tel qu'originairement déclaré, sous un délai n'excédant pas six mois après leur premier débarquement, et sans avoir dans l'intervalle, changé de propriétaires.

2. Tous effets et marchandises qui, n'étant pas consignés à un port dans les domaines du Sultan, ont été par inadvertance débarqués, pourvu que ses effets soient rembarqués sous un mois après avoir été ainsi débarqués, et transportés à l'étranger. Toutefois, si ces effets ou marchandises, dont il est question ici, sont ouverts ou enlevés de la garde des autorités douanières, le plein droit sera alors exigible.

3. La houille, les provisions, approvisionnements et agrès de navire, appartenant au gouvernement de Sa Majesté, débarqués dans les domaines de Son Altesse pour l'usage des navires de la marine de Sa Majesté.

4. Tous les effets et marchandises transbordés ou débarqués pour réparation d'avaries causées par le mauvais temps ou autre désastre en mer, pourvu que la cargaison ainsi déchargée soit rembarquée et emportée à bord du même vaisseau, ou, si ce dernier a été condamné ou retardé, de toute autre manière.

ARTICLE VII.

Il ne sera fait défense d'importer un article quelconque dans les territoires de Son Altesse le Sultan de Mascate, ou de l'exporter de ces territoires et nuls droits d'exportation ne seront prélevés sur les effets exportés de ces territoires, sauf avec le consentement du gouvernement de Sa Majesté britannique, ce consentement était sujet aux conditions posées dans les notifications à ce sujet.

ARTICLE VIII.

Il est convenu et entendu par les hautes parties contractantes que dans le cas où un arrangement serait conclu entre Son Altesse et les puissances qui ont des traités de commerce avec Mascate, et auquel la Grande-Bretagne sera partie contractante, par lequel les vaisseaux entrant dans le port de Mascate seront soumis à des droits de navire, de tonnage ou de havre, ces droits seront administrés sous le contrôle d'une commission spéciale pour l'amélioration du havre et la construction et entretien des phares, etc., rien dans les dispositions qui précèdent ne sera censé exempter les vaisseaux britanniques du paiement de ces droits de navire, de tonnage ou de havre, selon qu'il pourra être convenu plus tard.

ARTICLE IX.

Il sera facultatif pour un sujet britannique dans chaque cas de payer les droits proportionnels stipulés dans l'article VI, soit en monnaie, ou, si la nature des effets le permet, en nature, en donnant un montant équivalent des effets ou produits.

Dans le cas où le paiement serait fait en monnaie la valeur des marchandises, effets ou produits sur lesquels le droit doit être prélevé, sera fixée d'après le prix du marché au comptant en vigueur lorsque le droit est prélevé. Dans le cas d'importations étrangères, la valeur sera fixée selon le prix du marché à Mascate, et dans le cas d'effets et produits indigènes selon le prix du marché à l'endroit que le marchand choisira pour payer le droit.

S'il s'élevait quelque différend entre un sujet britannique et les autorités douanières concernant la valeur de ces effets, ce différend sera renvoyé à deux experts, chaque partie en nomment un, et la valeur ainsi déterminée sera décisive. Toutefois, si ces experts ne peuvent s'entendre, ils choisiront un tiers arbitre, dont la décision sera finale.

ARTICLE X.

Son Altesse le Sultan de Mascate s'engage par le présent traité à veiller et à donner ordre à ses fonctionnaires dans ce sens, à ce que le mouvement des effets en transit ne soit pas obstrué ou retardé d'une manière vexatoire par des formalités et des règlements douaniers inutiles, et que toute facilité soit donnée pour leur transport.

ARTICLE XI.

Les vaisseaux britanniques entrant dans un port des domaines de Son Altesse le Sultan de Mascate, en détresse, recevront des autorités locales toute l'aide nécessaire pour leur permettre de se ravitailler et radouber de façon à pouvoir continuer leur route.

Si un vaisseau britannique faisait naufrage sur les côtes des domaines de Son Altesse, les autorités de Son Altesse rendront toute l'aide en leur pouvoir au navire en détresse, afin de sauver le navire, sa cargaison et les personnes à bord ; elles donneront aussi aide et protection aux personnes sauvées, et les aideront à atteindre le consulat britannique le plus proche ; de plus elles prendront tout le soin possible que les effets ainsi recouvrés soient sûrement emmagasinés, et gardés dans le but d'être délivrés au propriétaire, capitaine, agent du navire, ou consul britannique, sujet toujours aux droits de sauvetage.

Les autorités de Son Altesse verront de plus à ce que le consulat britannique soit de suite informé du sinistre.

Si un vaisseau britannique, naufragé sur les côtes des domaines de Son Altesse, est pillé, les autorités de Son Altesse devront aussitôt qu'elles en seront informées, prêter prompte aide, et prendre des mesures pour poursuivre et recouvrer les effets dérobés. De même, si un vaisseau de Son Altesse le Sultan de Mascate, ou d'un de ses sujets, entre dans un port britannique en détresse, ou fait naufrage sur les côtes des domaines de Sa Majesté, le même secours et aide sera rendu par les autorités britanniques.

ARTICLE XII.

Si des matelots ou autres appartenant à un navire de guerre ou navire marchand britannique, déserte et se refuge à terre ou à bord d'un des navires de Son Altesse, les autorités de Son Altesse le Sultan de Mascate devront, sur la demande d'un officier consulaire, ou, en son absence, du capitaine du navire, prendre les mesures nécessaires afin de les appréhender et livrer à l'officier consulaire ou au capitaine.

L'officier consulaire et le capitaine devront toutefois prêter main-forte dans cette affaire.

ARTICLE XIII.

Les sujets de Sa Majesté britannique, quant à leurs personnes et biens dans les domaines de Son Altesse le Sultan de Mascate, jouiront du droit d'exterritorialité.

Les autorités de Son Altesse le Sultan n'ont pas droit d'intervenir dans les disputes entre sujets de Sa Majesté britannique, ou entre ces derniers et des membres d'autres nations chrétiennes ; ces questions, quelles soient de nature civile ou criminelle, seront décidées par les autorités consulaires compétentes.

Le procès et aussi la punition de toutes infractions et crimes dont les sujets britanniques pourront être accusés dans les domaines de Son Altesse le Sultan, aussi l'audition et le règlement de toutes questions, ou réclamations ou disputes au civil dans lesquelles ils sont défendeurs, est expressément réservée aux autorités consulaires et tribunaux britanniques, et soustraite à la juridiction de Son Altesse le Sultan.

Dans le cas de différends entre des sujets de Son Altesse le Sultan ou autre puissance non chrétienne qui n'est pas représentée par consuls à Mascate, et un sujet de Sa Majesté britannique, dans lequel un sujet britannique est demandeur ou plaignant, l'affaire sera portée devant la plus haute autorité du Sultan, ou quelque personne spécialement déléguée par lui à cet effet, et décidée par elle. Les procédures et décision finale dans un tel cas ne seront pas, toutefois, considérées légales à moins qu'avis n'ait été donné et une occasion fournie au consul britannique ou son substitut d'être présent à l'audition finale.

ARTICLE XIV.

Les sujets de Son Altesse le Sultan, ou de toute nation non chrétienne, non représentés par consuls à Mascate, qui sont au service régulier de sujets britanniques dans les domaines de Son Altesse le Sultan de Mascate, jouiront de la même protection que les sujets britanniques mêmes.

S'ils sont accusés d'avoir commis un crime ou une infraction grave punissable par la loi, ils seront, sur preuve satisfaisante qui justifierait de plus amples poursuites, livrés par les patrons britanniques, ou par ordre du consul britannique, aux autorités de Son Altesse le Sultan pour sentence et punitions.

ARTICLE XV.

Si un sujet de Sa Majesté résidant dans les domaines de Son Altesse le Sultan de Mascate est déclaré insolvable, le consul britannique prendra possession, recouvrera et réalisera tous les biens et actif disponibles de cet insolvable, qui seront traités et distribués suivant les dispositions de la loi de banqueroute anglaise.

ARTICLE XVI.

Si un sujet de Son Altesse le Sultan de Mascate résiste ou élude le paiment des justes et légitimes réclamations d'un sujet britannique, les autorités de Son Altesse le Sultan prêteront au créancier britannique toute aide et facilité pour recouvrer le montant qui lui est dû. De même le consul britannique donnera toute aide et facilité aux sujets de Son Altesse le Sultan de Mascate dans le recouvrement de dettes légitimement dues à eux par un sujet britannique.

ARTICLE XVII.

Si un sujet britannique décède dans les domaines de Son Altesse le Sultan de Mascate, ou décédant ailleurs y laisse des biens, meubles ou immeubles, le consul britannique sera autorisé à collecter, réaliser et prendre possession des biens du défunt, pour en disposer suivant les dispositions de la loi anglaise.

ARTICLE XVIII.

Les fonctionnaires de Son Altesse ne pourront, sous aucun prétexte, pénétrer ni faire de perquisitions dans les maisons, habitations entrepôts et autres locaux de sujets britanniques, ou de personnes virtuellement en service régulier dans les domaines de Son Altesse le Sultan de Mascate, sans le consentement de l'occupant, à moins que ce ne soit à la connaissance et avec l'aide du consul britannique, ou de son substitut.

ARTICLE XIX.

Il est par le présent convenu entre les hautes parties contractantes que, dans le cas où il serait plus tard conclu une convention entre Son Altesse le Sultan de Mascate et les diverses puissances avec lesquelles Son Altesse aurait passé des traités, y compris la Grande-Bretagne qui doit y être partie contractante, en vertu de laquelle les résidants d'un district ou ville seraient, sans distinction de nationalité, assujétis au paiement de taxes locales, pour des fins municipales et hygiéniques, ces taxes seront fixées et administrées sous le contrôle d'une commission spéciale ; rien de contenu au présent traité ne sera censé exempter les résidants britanniques du paiement de ces taxes.

ARTICLE XX.

Les sujets des deux hautes parties contractantes jouiront, dans les domaines de l'une et de l'autre, de la liberté de conscience et de la tolérance religieuse, de l'exercice libre et public de toutes formes de religion, et du droit de bâtir des édifices pour le culte religieux.

ARTICLE XXI.

Les stipulations du susdit traité seront applicables à toutes les colonies et possessions étrangères de Sa Majesté britannique, en tant que la loi le permettra, à l'exception de celles ci-dessous mentionnées, savoir :

La Puissance du Canada,
Terreneuve,
Le Cap de Bonne Espérance,
Natal,
La Nouvelle-Galles du Sud,
Victoria,
Queensland,
La Tasmanie,
L'Australie Méridionale,
L'Australie Occidentale,
La Nouvelle-Zélande.

Pourvu toujours que les stipulations du présent traité seront rendues applicables à aucune des susdites colonies ou possessions étrangères au nom de laquelle avis à cet effet aura été donné par le représentant de Sa Majesté Britannique à Mascate, à Son Altesse le Sultan, dans le cours de deux ans à dater de l'échange des ratifications du présent traité.

ARTICLE XXII.

Le présent traité a été exécuté en quadruple copie, deux copies étant en anglais et deux en arabique. Ces copies sont censées avoir le même sens et la même signification; dans le cas, toutefois, où il s'élèverait un doute quant à la véritable interprétation du texte anglais ou arabique de l'une quelconque des stipulations du traité, le texte anglais sera considéré décisif. Le traité deviendra exécutoire sous un mois après la date des ratifications.

ARTICLE XXIII.

Après la date de douze ans à compter de la date où le traité entrera en vigueur, et sur douze mois d'avis donné par l'une et l'autre partie, le présent traité sera sujet à revision par des plénipotentiaires nommés à cette fin par les deux parties, lesquels seront revêtus du pouvoir de décider et adopter tels amendements que l'expérience leur démontrera désirables.

En foi de quoi le Colonel Edward Charles Ross, C.S.I., au nom de Sa Majesté la Reine de la Grande-Bretagne et d'Irlande, et Impératrice de l'Inde, et Son Altesse Seyyid Feysal-bin-Turki, Sultan de Mascate, en son propre nom, l'ont signé et y ont apposé leurs sceaux.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 13e jour de février 1893.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, après avoir pris en considération le tarif des péages sur les canaux du Canada, d'ordonner, en vertu des pouvoirs qui lui sont conférés par le chapitre 37 des Statuts Revisés, intitulé "Acte concernant le département des Chemins de fer et Canaux," et par et de l'avis du Conseil Privé de la Reine pour le Canada, que les modifications suivantes soient, et elles sont par le présent apportées au tarif des péages en vigueur sur les dits canaux, savoir :—

Pour la saison de 1893, le tarif de péages sur les canaux pour le passage des produits alimentaires suivants : blé, maïs, pois, orge, seigle, avoine, graine de lin et sarrasin, descendant vers l'est dans le canal Welland, sera de dix centins par tonneau ; et pour descendre vers l'est dans les canaux du Saint-Laurent seulement, dix centins par tonneau ; le paiement du dit taux de dix centins par tonne pour passage dans le canal Welland permettra à ces produits de passer gratuitement dans les canaux du Saint-Laurent.

JOHN J. McGEE,
34–4 Greffier du Conseil privé.

RAPPORT d'un comité de l'honorable Conseil privé, approuvé par Son Excellence le Gouverneur général en conseil, le 6 de janvier 1893.

VU un rapport daté le 31 de décembre 1892, du ministre de l'Intérieur, soumettant ce qui suit au sujet des ventes projetées de terres des écoles,—

Après un sérieux examen de la question longtemps débattue de l'occupation et cultivation illégales de terres des écoles dans le Manitoba, il a été décidé que, sauf dans certains cas spéciaux que le ministre de l'Intérieur propose de soumettre à la considération spéciale de Votre Excellence en conseil, le seul moyen de protéger les intérêts du Fonds des Ecoles, et en même temps empêcher tout préjudice apparent à ceux des *squatters* qui de bonne foi et en ignorance de la loi se sont établis sur ces terres, serait d'offrir à l'enchère publique, à une date rapprochée, tous ces quarts de sections de terres des écoles qui, à la connaissance du ministère de l'Intérieur, sont illégalement occupées, donnant ainsi aux *squatters* une occasion d'acquérir la terre, et après la vente, d'intenter des poursuites contre tous ceux qui auront manqué de se prévaloir de cette chance d'acquérir la terre, et persistent quand même dans leur occupation et cultivation illégales.

Il a aussi été proposé de prendre avantage de cette vente pour offrir en même temps celles des terres des écoles pour lesquelles des demandes ont été faites et qui ont été inspectées, pourvu que nulles terres soient offertes à moins de $5 l'acre.

Le ministre remarque qu'avant de prendre des mesures dans la matière, le commissaire des terres fédérales, en conformité d'instructions venues de lui (le ministre), consulta M. Greenway, le premier ministre de la province, sur les vues de son gouvernement au sujet de la vente projetée, et est informé que M. Greenvay reconnaissait l'avantage d'offrir en vente les terres occupées par des squatters, mais avait des doutes quant à l'à-propos d'inclure cette saison, dans telle vente, aucune des autres terres des écoles, à moins qu'elles ne fussent déjà demandées. En conséquence, on ne se propose d'offrir, en sus des terres illégalement occupées ou cultivées, que les terres pour lesquelles des demandes spéciales ont été reçues. Nul danger qu'aucune de ses terres soient vendues à sacrifice, vu qu'on a pris soin de mettre un prix d'enchère sur chaque lopin égal à la pleine valeur de la terre telle que fixée et déterminée après inspection de chaque lopin par un employé dûment qualifié du ministère de l'Intérieur, et une évaluation faite subséquemment par un évaluateur compétent.

En conséquence le ministre recommande qu'il soit autorisé à offrir en vente, à l'enchère publique, les terres des écoles comprises dans les listes qu'il a fait préparer en conformité des faits précités, et à un prix de départ placé vis-à-vis chaque lopin dans les dites listes, ce prix n'étant jamais moins que $5 l'acre, les ventes devant être tenues aux endroits et aux dates mentionnés dans ces listes, savoir :—

A Morden,	25 janvier 1893.
A Pilot Mound,	27 janvier 1893.
A Deloraine,	30 janvier 1893.
A Glenboro'	2 février 1893.
A Minnedosa,	8 février 1893.
A Portage la Prairie,	11 février 1893.
A Brandon,	14 février 1893.
A Winnipeg,	16 février 1893.

Le ministre recommande de plus que les dispositions contenues dans l'arrêté en conseil du 12 de décembre 1891, au sujet de la réserve de minéraux dans les terres des écoles offertes en vente en janvier et février 1892, soient aussi rendues applicables aux terres qu'il est maintenant proposé d'offrir en vente, savoir, que nonobstant les dispositions de la clause 8 des règlements pour la vente de terres fédérales autorisée par arrêté en conseil du 17 de septembre 1889, les terres des écoles à offrir aux ventes projetées de janvier et février prochains, ne soient pas assujéties à une réserve en faveur de la couronne des mines et minéraux qu'elles contiennent, sauf dans les cas où le directeur de la Commission de Géologie aurait fait rapport que ces terres contiennent problablement des minéraux et sont d'une valeur économique, dont note a été prise dans les listes.

Le comité soumet cette recommandation à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

TREATY OF FRIENDSHIP, COMMERCE AND NAVIGATION BETWEEN GREAT BRITAIN AND MUSKAT.

Signed at Muskat, March 19, 1891.

Ratifications exchanged at Muskat, February 20, 1892.

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Highness the Seyyid Feysal-bin-Turki-bin-Saeed, Sultan of Muskat and Oman, being desirous to confirm and strengthen the friendly relations which now subsist between the two countries, and to promote and extend their commercial relations, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say :—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Colonel Edward Charles Ross, Companion of the Star of India, Her Britannic Majesty's Political Resident in the Persian Gulf ;

And His Highness the Sultan of Muskat, in person ;

Who have agreed upon and concluded the following Articles :—

ARTICLE I.

The Treaty concluded between the British Government and Sultan Seyyid Saeed-bin-Sultan of Muskat and Oman, on the 31st May, 1839 (17 Rabia 1st, 1255), is hereby cancelled and declared void, and the present Treaty, when ratified, shall be substituted for it.

ARTICLE II.

Subjects of Her Britannic Majesty shall, for the purposes of this Treaty, include subjects of native States in India in alliance with Her Majesty. Such subjects shall enjoy, immediately and unconditionally, throughout the dominions of His Highness the Sultan of Muskat, with respect to commerce, shipping, and the exercise of trade, as in every other respect, all the rights, privileges, immunities, advantages, and protection of whatsoever nature, which are, or hereafter may be, enjoyed by, or accorded to, the subjects or citizens of the most favoured nation.

They shall more especially not be liable to other or more onerous duties, imposts, restrictions, or obligations of whatever description, than those to which subjects or citizens of the most favoured nation now are, or hereafter may be, subjected.

ARTICLE III.

The two High Contracting Parties acknowledge reciprocally to each other the right of appointing Consuls to reside in each other's dominions wherever the interests of commerce may require the presence of such officers; and such Consuls shall at all times be placed, in the country in which they reside, on the footing of the Consuls of the most favoured nations. Each of the High Contracting Parties further agree to permit his own subjects to be appointed to Consular offices by the other Contracting Party, provided always that the persons so appointed shall not begin to act without the previous approbation of the Sovereign whose subjects they may be. The public functionaries of either Government residing in the dominions of the other, shall enjoy the same privileges, immunities, and exemptions which are enjoyed within the same dominions by similar public functionaries of other countries.

ARTICLE IV.

There shall be perfect freedom of commerce and navigation between the High Contracting Parties; each shall allow the subjects of the other to enter all ports, creeks, and rivers with their vessels and cargoes, also to travel, reside, pursue commerce and trade, whether wholesale or retail, in each other's dominions, and therein to hire, purchase, and possess houses, warehouses, shops, stores, and lands. British subjects shall everywhere be freely permitted, whether personally or by agent, to bargain for, buy, barter, and sell all kinds of goods, articles of import, or native production, whether intended for sale within the dominions of His Highness or for export, and to arrange with the owner or his agent regarding the price of all such goods and produce without interference of any sort on the part of the authorities of His Highness.

His Highness the Sultan of Muskat binds himself not to allow or recognize the establishment of any kind of monopoly or exclusive privilege of trade within his dominions to any Government, association, or individual.

ARTICLE V.

Subjects of Her Britannic Majesty shall be permitted, throughout the dominions of His Highness the Sultan, to acquire by gift, purchase, intestate succession, or under will, or any other legal manner, land, houses, and property of every description, whether movable or immovable, to possess the same; and freely to dispose thereof by sale, donation, or otherwise.

ARTICLE VI.

His Highness the Sultan shall be permitted to levy a duty of entry not exceeding 5 percent on the value of all goods and merchandise, of whatever description, imported by sea from foreign countries into His Highness' dominions. This duty shall be paid at that port in His Highness' dominions where the goods are first landed, and, on payment thereof, such goods shall thereafter be exempt, within the Sultan's dominions, from all other customs duties or taxes, levied by, or on behalf of the Government of His Highness the Sultan, by whatever names these may be designated, and no higher import duty shall be claimed from British subjects than that which is paid by subjects or citizens of the most favoured nation.

This duty, once paid, shall cover, from all other charges on the part of His Highness the Sultan, goods of whatever description coming from foreign countries by sea, whether these are intended for local consumption or for transmission elsewhere in bulk or otherwise, and whether they remain in the state in which they are imported or have been manufactured.

There shall, however, be exempted from payment of all duty the following, namely:—

1. All goods and merchandise which, being destined for a foreign port, are transhipped from one vessel to another in any of the ports of His Highness the Sultan of Muskat, or which have been for this purpose provisionally landed and deposited in any of the Sultan's custom-houses to await the arrival of a vessel in which to be reshipped aboard. But goods and merchandise so landed shall be exempted only, provided that the consignee or his agent shall have, on the arrival of the ship, handed over the said goods to be kept under Customs seal, and declared them as landed for transhipment, designating at the same time the foreign port of destination, and also provided that the said goods are actually shipped for the said foreign port as originally declared, within a period not exceeding six months after their first landing, and without having, in the interval, changed owners.

2. All goods and merchandise which, not being consigned to a port within the dominions of the Sultan, have been inadvertently landed, provided that such goods are reshipped within a month of being so landed and transported abroad. Should, however, such goods or merchandise, here spoken of, be opened or removed from the custody of the Customs authorities, the full duty shall then be payable on the same.

3. Coals, naval provisions, stores, and fittings, the property of Her Majesty's Government, landed in the dominions of His Highness for the use of the ships of Her Majesty's navy.

4. All goods and merchandise transhipped or landed for the repair of damage caused by stress of weather or other disaster at sea, provided the cargo so discharged shall be reshipped and taken away on board of the same vessel, or if the latter shall have been condemned, or her departure delayed, in any other manner.

ARTICLE VII.

No article whatever shall be prohibited from being imported into or exported from the territories of His Highness the Sultan of Muskat, and no export duties are to be levied on goods exported from those territories except with the consent of the Government of Her Britannic Majesty, such consent being subject to the conditions that may be laid down in the notifications intimating the same.

ARTICLE VIII.

It is agreed and understood by the High Contracting Parties that, in the event of an arrangement being entered into hereafter between His Highness and the Powers having Treaty relations with Muskat, and to which Great Britain shall be a consenting party, whereby vessels entering the port of Muskat shall be charged with shipping, tonnage, or harbour dues, such dues to be administered under the control of a special Board for the improvement of the harbour and construction and maintenance of lighthouses, &c.; nothing in the aforementioned provisions shall be construed so as to exempt British vessels from payment of such shipping, harbour or tonnage dues as may hereafter be agreed upon.

ARTICLE IX.

It shall be at the option of the British subject in each case to pay the percentage duties stipulated in Article VI, either in cash, or, if the nature of the goods allows of it, in kind, by giving up an equivalent amount of the goods or produce.

In the event of payment being made in cash, the value of the merchandise, goods, or produce on which duty is to be levied shall be fixed according to the ready-money market price ruling at the time when the duty is levied. In the case of foreign imports, the value shall be fixed according to the market price at Muskat, and in that of native goods and produce by the market price at the place where the merchant shall choose to pay the duty.

In the event of any dispute arising between a British subject and the Custom-house authorities regarding the value of such goods, this shall be determined by reference to two experts, each party nominating one, and the value so ascertained shall be decisive. Should, however, these experts not be able to agree, they shall choose an umpire, whose decision is to be considered final.

ARTICLE X.

His Highness the Sultan of Muskat engages by the present Treaty to provide and give orders to his officials that the movement of goods in transit shall not be obstructed or delayed in a vexatious manner by unnecessary Custom formalities and Regulations, and that every facility will be given for their transport.

ARTICLE XI.

British vessels entering a port in the dominions of His Highness the Sultan of Muskat, in distress, shall receive from the local authorities all necessary aid to enable them to revictual and refit so as to proceed on their voyage,

Should a British vessel be wrecked off the coast of His Highness' dominions the authorities of His Highness shall render all assistance in their power to the distressed vessel, in order to save the ship, her cargo, and those on board ; they shall also give aid and protection to persons saved, and shall assist them in reaching the nearest British Consulate ; they shall further take every possible care that the goods so recovered are safely stored, and kept for the purpose of being handed over to the owner, captain, agent of the ship, or British Consul, subject always to rights of salvage.

His Highness' authorities shall further see that the British Consulate is at once informed of such disaster having occurred.

Should a British vessel wrecked on the coast of His Highness' dominions, be plundered, the authorities of His Highness shall, as soon as they come to know thereof, render prompt assistance and take measures to pursue and punish the robbers, and recover the stolen property. Likewise, should a vessel of His Highness the Sultan of Muskat, or of one of his subjects, enter a British port in distress, or be wrecked off the coast of Her Majesty's dominions, the like help and assistance shall be rendered by the British authorities.

ARTICLE XII.

Should sailors or others belonging to a British ship of war or merchant-vessel, desert and take refuge on shore or on board of any of His Highness' ships, the authorities of His Highness the Sultan of Muskat shall, upon request of a Consular official, or, in his absence, of the captain of the ship, take the necessary steps in order to have them arrested and delivered over to the Consular official or to the captain.

In this, however, the Consular officer and captain shall render every assistance.

ARTICLE XIII.

Subjects of Her Britannic Majesty shall, as regards their person and property, enjoy within the dominions of His Highness the Sultan of Muskat the rights of exterritoriality.

The authorities of His Highness the Sultan have no right to interfere in disputes with subjects of Her Britannic Majesty amongst themselves, or between them and members of other Christian nations ; such questions, whether of a civil or criminal nature, shall be decided by the competent Consular authorities. The trial and also the punishment of all offences and crimes of which British subjects may be accused within the dominions of His Highness the Sultan, also the hearing and settlement of all civil questions, claims, or disputes in which they are the defendants, is expressly reserved to the British Consular authorities and Courts, and removed from the jurisdiction of His Highness the Sultan.

Should disputes arise between subjects of His Highness the Sultan or other non-Christian Power, not represented by Consuls at Muskat, and a subject of Her Britannic Majesty, in which the British subject is the plaintiff or complainant, the matter shall be brought before and decided by the highest authority of the Sultan, or some person specially delegated by him for this purpose. The proceedings and final decision in such a case shall not, however, be considered legal unless notice has been given and an opportunity afforded for the British Consul or his substitute to attend at the hearing and final decision.

ARTICLE XIV.

Subjects of His Highness the Sultan, or any non-Christian nation, not represented by Consuls at Muskat, who are in the regular service of British subjects within the dominions of His Highness the Sultan of Muskat, shall enjoy the same protection as British subjects themselves.

Should they be charged with having committed a crime or serious offence punishable by law, they shall, on sufficient evidence being shown to justify further proceedings, be handed over by British employers, or by order of the British Consul, to the authorities of His Highness the Sultan for trial and punishment.

ARTICLE XV.

Should a subject of Her Majesty residing in the dominions of His Highness the Sultan of Muskat be adjudicated bankrupt, the British Consul shall take possession of, recover, and realize all available property and assets of such bankrupt, to be dealt with and distributed according to the provisions of English Bankruptcy Law.

ARTICLE XVI.

Should a subject of His Highness the Sultan of Muskat resist or evade payment of the just and rightful claims of a British subject, the authorities of His Highness the Sultan shall afford to the British creditor every aid and facility in recovering the amount due to him. In like manner the British Consul shall afford every aid and facility to subjects of His Highness the Sultan of Muskat, in recovering debts justly due to them from a British subject.

ARTICLE XVII.

Should a British subject die within the dominions of His Highness the Sultan of Muskat, or dying elsewhere leave property therein, movable or immovable, the British Consul shall be authorized to collect, realize, and take possession of the estate of the deceased, to be disposed of according to the provisions of English law.

ARTICLE XVIII.

The houses, dwellings, warehouses, and other premises of British subjects, or of persons actually in their regular service within the dominions of His Highness the Sultan of Muskat, shall not be entered, or searched under any pretext, by the officials of His Highness without the consent of the occupier, unless with the cognizance and assistance of the British Consul or his substitute.

ARTICLE XIX.

It is hereby agreed between the two High Contracting Parties that, in the event of an agreement being hereafter arrived at between His Highness the Sultan of Muskat and the various Powers with which His Highness shall be in Treaty relations, including Great Britain, which must be a consenting party, whereby the residents of a district or town shall, without distinction of nationality, be made subject to the payment of local taxes, for municipal and sanitary purposes, the same to be fixed and administered by or under the control of a special Board, nothing contained in this Treaty shall be understood so as to exempt British residents from the payment of such taxes.

ARTICLE XX.

Subjects of the two High Contracting Parties, shall, within the dominions of each other, enjoy freedom of conscience and religious toleration, the free and public exercise of all forms of religion, and the right to build edifices for religious worship.

ARTICLE XXI.

The stipulations of the present Treaty shall be applicable to all the colonies and foreign possessions of Her Britannic Majesty so far as the laws permit, excepting to those hereinafter named, that is to say, except to—

The present Treaty has been executed in quadruplicate, two copies being written in English and two in Arabic. These are understood to be of similar import and signification; in the event, however, of doubt hereafter arising as to the proper interpretation of the English or Arabic text of one or other of the Treaty stipulations, the English text shall be considered decisive. [3388]

REPORT of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th of January, 1893.

ON a Report, dated 31st December, 1892, from the Minister of the Interior, submitting the following with respect to the proposed sales of school lands,—

After a careful consideration of the long standing question of the illegal occupation and cultivation of school lands in Manitoba, it was decided that except in certain special cases which the Minister of the Interior proposes to submit for special consideration by Your Excellency in Council, the only way of protecting the interests of the School Endowment and of preventing at the same time any apparent hardships to those squatters who in good faith and ignorance of the law had settled upon these lands, would be to offer at public auction at an early date all those quarter-sections of school lands which, to the knowledge of the Department of the Interior, were illegally occupied, thus affording the squatters an opportunity of acquiring the land, and after the sales to take legal proceedings against all those who failed to avail themselves of this chance of acquiring the land, and yet persisted in their illegal occupation or cultivation of the same.

It was also proposed to take advantage of this sale to offer at the same time those school lands for which applications had been made, and which had been inspected, provided that no lands should be offered at less than $5.00 per acre.

The Minister observes that before taking any further steps in the matter the Commissioner of Dominion Lands, in accordance with instructions from him (the Minister) consulted M. Greenway, the Premier of the Province, as to the views of his Government with respect to the proposed sale, and is informed that Mr. Greenway concurred as to the desirability of offering for sale the lands squatted on, but expressed himself as being doubtful as to the expediency of including this season any of the other school lands in such sale, unless there be a demand for them. It is, therefore, only proposed to offer, in addition to the lands illegally occupied or cultivated, those lands for which special applications have been received. There is no danger of any of those lands being sold at a sacrifice, as care has been taken to place an upset price upon each parcel equal to the full value of the land, as determined and made after inspection of each parcel by a specially qualified officer of the Department of the Interior, and a subsequent independent valuation made by a competent appraiser.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction the school lands comprised in lists prepared by his authority in accordance with the facts hereinbefore recited, and at an upset price set opposite each parcel in the said lists, being in no case less than $5.00 per acre, the sales to be held at the places and on the dates mentioned in such lists, that is to say :—

At Morden,	25th January, 1893.
At Pilot Mound,	27th January, 1893.
At Deloraine,	30th January, 1893.
At Glenboro',	2nd February, 1893.
At Minnedosa,	8th February, 1893.
At Portage la Prairie,	11th February, 1893.

The Minister further recommends that the provision contained in the Order in Council of the 12th of December, 1891, with respect to the reservation of the minerals in the school lands offered for sale in January and February, 1892, be also made applicable to the lands which it is now proposed to offer for sale, that is to say, that notwithstanding the provisions of clause 8 of the Regulations for the disposal of Dominion Lands authorized by Order in Council of the 17th of September, 1889, the school lands to be offered at the proposed sales in January and February next, be not subject to a reservation to the Crown of the mines and minerals therein, except in cases where the Director of the Geological Survey has reported the lands as likely to contain minerals and of economic value, due note of which has been made in the lists.

The Committee submit the same for Your Excellency's approval.
